JULY 7, 1987 •

PENINSULA COVENANT CHURCH •

WELCOME.

WHEE

WILLY

TODAY: Our program this first meeting of the new Rotary year is presented by our own Judy Smith. She will present a film commissioned by the California Automobile Association entitled "ROUGH ROAD AHEAD" which features the problems we will be facing sooner than later in managing our traffic. With the potentials for gridlock a real threat in San Mateo County this should be a program of real community interest. The phantom finemaster will strike with no worries about "bleeding hearts"

LAST WEEK: And quite a night it was! A house full of Rotary Spuuses (Rotary Annes and Rotary Andys) and a head table graced by a bevy of radiant leading Rotary Ladies. It's called the "Annual Installation Dinner" and new D.G. Aldo J. Simonetti did indeed install Pre. Bill and all the officers and directors for the new year, but that part of the show took not much longer than it takes you to read this. Past-Past Prexy Roy did a masterful job as masterful of ceremonies-well, most of the time- and now Past Pres. Pete briefly presided for a last hurrah at the podium. He deserved that much, or little in the face of all the abuse to follow. And, in light of the audience response it was, of course, well deserved.

So many took part it's almost impossible to list all the credits. Song: Bulanti; Pledge: Koslosky; Invocation: Smith (Judy that is). Wooley did the fining-even after we painted his house- he showed no mercy. Poor almost past Pres Pete needed a violin case of his own to carry all the fines he received. Don't be surprised if Hughes Plastics sends up a white flag in surrender. Pete had his own cheering section to support him, a whole table of family including his daughter Kimberly, her husband and Pete's new grandson. What better time than this big night to have Ron Koster take part in the presentation of Paul Harris Fellowships, a major source of support for the R.I. Foundation for which Ron has done so much in our club.

Pres. Pete presided over the presentation of P.H. Fellow awards to: INGER PIERCE (from Bob, of course), DAVE SCHRICKER, MEL ANISMAN, BETH BERLIN (from D.G. Sid, our own outgoing, outgoing D.G. Sid had some pertinent reminders for all on how much it all does in saving countless lives from polio). Pres Pete also presented Ginny with her very own P.H. Fellowship.

To the great surprise and obvious pleasure of all, Pete presented P.H. Fellowships on behalf of the club to: CLIFF HAWKINS, HAL HJERTBERG and MIKE KREISS--what can be said, it's an awful nice feeling.

Along the way, P.D.G. Bob Paroli made us all feel proud of the efforts of Dist. 513 and its achievements in this year of D.G. Sid. Over \$600K for the foundation; never done before and No. 1 worldwide.

Finally, of course, there was the satisfying frying, or is it roasting, of Petulant Pete, our gavelless leader of the year now past.

No way to describe it if you missed it, but it was good, real good. What a great job done by Past-Past Pres. Roy, incoming Pres. Bill and the likes of such fine (bad) actors as LEM SUMMEY, ALLEN GRUMAN and DENNIS DURKIN.

In closing, new Pres Bill gave evidence of his deep and abiding feeling for Rotary as he spoke of the need to address all four avenues of service. It's that which makes us what we are, Rotarians.

N.B. Almost forgot to note that joining the party were former R.C. Rotarian Joe Lodi and wife Ada visiting from Oroville.

NEXT WEEK: Once again we'll be here at the Yacht Club before returning to our regular meeting place on the 21st for our District Governor's visitation. Our speaker on the 14th will be Eldon Earnhardt, a member of the faculty at Canada College (Anthropology) who will be discussing the question of World Hunger, a topic of concern for our interest in International Community Service.

JULY 14, 1987 •

PENINSULA COVENANT CHURCH •

TODAY: Eldon Earnhardt, a member of the faculty at Canada College (Anthropology), will be speaking on the question of World Hunger.

The new years' finemaster schedule is still forthcoming so we'll have to guess again who'll be our weekly pick pocket. (And no, travelers checks wcn't help.)

LAST WEEK: Gavel and gong carefully guarded in almost the likes of a Kangaroo pouch, Pres. BILL opened his first official meeting of the new year in our temporary quarters here at the Sequoia Yacht Club.

And what better a time to remind all that next week, the 21st, we will be back at the church for D.G. Aldo Simonetti's club visitation.

Past D.G. SID led the Club in giving Pres. BILL a jolly good welcome with new R.C. Rotarian and already a P.H. Fellow BETH BERLIN leading the pledge. Club Treas. ERNIE gave the invocation.

A sad note on this otherwise happy day, our marvelous maestro, DR. JIM GREENWELL is in Sequoia Hospital following some serious surgery. In silent prayer the entire club extended its deep affection and best wishes to JIM.

And what a way to start the year as Pres. "WHEE WILLY" took over the finemastering task himself - one way to set the pace for those who follow. And what a pace!

Before getting to our program for the day, past prexy and super District Conference Chairman BOB DOOLEY took care of the induction of new R.C. Rotarian, MARIO RADDEVERO, owner of Hofbrau Catering. A native of Italy, MARIO spent a number of years in Argentina, the home of his wife, Amanda and their three children, Sergio (22), Gabriel (20) and Flavia (25). Before coming to R.C., MARIO was associated with the Holiday Inns in S.F. and Palo Alto. Welcome!

BOB STIFF introduced our programs for the day - new R.C. Rotarian JUDY SMITH who not only gave an ice breaker to complete the earning of her regular badge but followed with the presentation of a AAA film covering the immense problems facing California's highways and byways. The lively discussions that followed gave ample evidence of the interest and concern of all in this growing problem.

Born in Pennsylvania, JUDY'S career with the AAA is more than we can recount here but you'd better believe that her elevation to a district manager is well earned and deserved. Hard to believe but she not only has three children 26, 24 and 21 but two grandchildren as well.

Get to know this fine new Rotarian - ask her about the Santa Clara

Vanguard Drum and Bugle Corps Colorguard - then just listen. You don't believe it.

NEWS AND NOTES: Who has the "fine-free" badge. Is it you, MERTENS? Time to get it back in circulation.

Pres. BILL says we got a very nice letter from D.G. Aldo Simonetti commenting on our Installation dinner with some very nice compliments to R.C. Rotary. Let's make sure we keep the faith.

And a note from DR. DURKIN - says he's evidently progressing very well and from the sound of things perhaps we'll be seeing this great guy again before long. Magnifique!

From STEVE MIKULIC comes word that the softball challenge season is setting it up for Sunday, July 26. Get to STEVE if you're ready to join the team - practice time(s) and place he'll announce today.

Did you see Past Prexy ROY FRANKS printed rules for "Podium-Mania" '87-88? This year there's apparently some degree of morality and order to be followed. Some - but not very much. Pres. BILL better beware. There are indeed some unprincipled scoundrels out there.

NEXT WEEK: THE DISTRICT GOVERNOR'S VISITATION. It's back at the church with all officers, directors and committee chairmen present by 10:00 a.m. And let's give D.G. ALDO the kind of turnout he deserves and should well expect from a Numero Uno Club like R.C. Rotary.

And then on the 28th we'll be back at the Sequoia Yacht Club for one more time - and this time it will be for "Ice breakers" - before returning to the church for a regular schedule in August.

Board Action: Pres. BILL conducted the first regular meeting of the Board of Directors on July 9. The first action taken was to regretfully accept the resignation from the Board of Jerry Mertens. Jerry has, however, agreed to continue his fantastic club service as a member of the Special Events (Fellowship) Committee.

The Board then undertook the task of filling the vacant position. By unanimous vote Steve Mikulic was elected to fill out the unexpired term.

The Board then reviewed the many solicitations made to our club for support or participation. Among those approved by the Board were participation in the Redwood City, Recreation Department 50th anniversary celebration; support of the Regional Occupational Program; support of the Adopt-A-School program; sponsorships of four plaques for graduating seniors at Sequoia H.S.; and, support of the Rose Bowl Parade. Several other proposals were reviewed and shelved or rejected. These decisions are continually coming before our Board members embodies the Rotary motto Service Above Self.

Polio Plus Update: The Board of Directors has established a goal for the Rotary Club of Redwood City of \$100,000 to be accumulated over the next five years. This means we need to find an additional \$20,000 per year. We have many proposals of how this will be done and these proposals are under study by the Polio Plus Committee. Needless to say we are going to need to raise this money from the Community and not solely from Rotarians. Therefore, we are looking for creative ways to tap the resources of our Community to meet our goal. If you have any thoughts please contact Jon Rich or Pres. BILL.

PENINSULA COVENANT CHURCH

WELCOME

ALDO

D.G. 513

1987-88

TODAY: We are honored by the annual visitation of our new District Governor Aldo Simonetti. Accompanying D.G. Aldo is his charming wife, Margaret, who earlier this morning joined in a tea with Barbara Conklin and some of our Rotary spouses at the Lathrop House.

Also earlier this morning, PRES. BILL, your club officers, directors and committee chairmen met with D.G. Aldo to review the club's plans for the new Rotary year and receive the benefit of his comments and counsel.

And finally, to complete the chronology, yesterday evening PRES. BILL and Barbara entertained at a dinner at their home honoring D.G. Aldo and Margaret in company with the club's officers, directors and their spouses.

LAST WEEK: With gavel and gong securely draped 'round his neck Pres. BILL once again welcomed all to our temporary quarters at the Sequoia Yacht Club. Remember, we'll be back there one more time next week.

In anticipation of the then up coming All Star Game, Past D.G. SID led the chorus in the National Anthem. Thanks to R.W. Shores visiting Rotarian Elaine Berlin White for leading the pledge and our own Dr. JOHN HOFF for the invocation.

Pres. BILL passed the good word that our much missed maestro, Dr. JIM GREENWELL, is indeed doing well following surgery at Sequoia and should soon, if not already, be continuing his recuperation at home.

And similar good news continues to be received on the recovery of Dr. BOB DURKIN, Good news in deed! Keep it up lads.

BOB PIERCE took care of the fining-amply-with a nice two for one touch. He'll get his due though; you can count on that.

Prog. Chm. BOB STIFF introduced the day's speaker, Eldon Earnhardt, one of his faculty members at Canada College. Mr. Earnhardt addressed the question of world hunger arising from the unbridled world population explosion in dramatic and frightening terms. In the '70's the rate was 72 million more people per year, a number that has now climbed to 82 million per year in the '80's and is continuing to soar, with 8 of every 10 being born in the developing nations. Answers? None as of now - just a prospect of horror! Something to really think about.

NEWS & NOTES: STEVE MIKULIC says there will be a practice tomorrow evening at 6:15 at the softball diamond at Canada College in preparation for the upcoming softball tournament being hosted by the Foster City Rotary Club on Sunday, the 26th. Call STEVE if you need any details. The series should start by 11:00 a.m. and be over by 3:00 p.m.

Please note that once again you should be mailing your make-up cards to Dr. ALAN BOSTWICK, 1020 Palomar Dr., Redwood City 94062.

At the club's last auction Msgr. PETE provided 4 tickets for the upcoming Papal visit. 2 more taken by KAY BELL and 2 by _____ . If you can fill in the blank please give PETE a call.

NEXT WEEK: Remember, we'll be back at the Sequoia Yacht Club for one more time and this time it will be for another of those always entertaining "Icebreaker" sessions.

And speaking of Icebreakers reminds us of the on going quest for new members. At Rotary year end we were down to 82. With MARIO RADDEVERO we are now 83 and with a goal of 100 for the new year it means that with a not untypical 10% attrition we do indeed have a good way to go. Don't leave it to that other guy. There aren't enough of them. Get with it yourself and now.

N.B.: You have the July issue of The Rotarian. Be sure you read the section on new R.I. President Charles C. (Chuck) Keller and the four avenues of service amplified under his theme for this year: "Rotarians ---United in Service - Dedicated to Peace".

P.S. Area 17 Rep. John Rosetti will be joining us today. John is the immediate Past Pres. of the Rotary Club of Belmont (perhaps one of the two best medium sized clubs in Dist. 513). Always active, John has a ready smile and constantly says, "How can I help?" John is in the Drapery business in Belmont and is married to charming Lori.

JULY 28, 1987 •

SEQUOIA YACHT CLUB •

TODAY: One more time away from home - from the pastoral scene to the aquatic. Both have an ambience that's hard to knock.

Our program today is another of those always interesting and entertaining "Icebreaker" sessions.

Your finemaster? Once again we'll just have to wait and find out. The new years' schedule is still forth coming. So far, however, we've had some real humdingers.

LAST WEEK: The District Governor's visit. A real push coming so early as it did this year. Pres. BILL must really be relieved. Still, how nice it was to meet with and hear from our new D.G. Aldo Simonetti. And, of course, the compliments given our club are not at all hard to take. All have good reason to be proud and that very pride should be very good reason to keep up the good work.

Pres. BILL presented a formidable figure with a fancy gunbelt and holster to protect his gavel and gong, but darned if it didn't turn out that his gavel was ersatz after all. Finemaster BILL BERGLER revealed that little secret as he "sold" the original copy back to our new el presidente. And with the fines he levied it's clear that this scoundrel BERGLER has an alias, AKA Burglar.

ALLEN GRUMAN led the song with a well deserved "For he's a jolly good fellow" for D.G. Aldo. Area Rep. John Rossetti of the Belmont club gave the pledge with a following invocation by Dr. LYLE RAUSCH.

Now Past. D.G. SID presented the club with an R.I. Presidential Citation signed by now Past Pres. M.A.T. Caparas. And appropriately, now joining our other banners is a sparkling new "Best Club Award" banner.

Returning to some of D.G. Aldo's remarks, he spoke of the objectives and theme of new R.I. Pres. Charles C. Keller - a subject well worth reading about in the July ROTARIAN.

Aldo also emphasized the need for an aggressive recruiting of new and younger members - the "life blood" of Rotary.

The Polio Plus program was also a matter of considerable attention from D.G. Aldo and what an inspiring undertaking it is when you measure it in terms of the lives and suffering it addresses.

All in all, a big thank you to D.G. Aldo for his counsel, courtesy and compliments. It's a big job he has undertaken and surely we know it well from the exemplary performance of our own now Past D.G. SID.

We did forget one further matter of interest. Both Aldo and SID

remarked briefly on there being a newly initiated study of the possible splitting of District 513 into two new districts, north and south with a boundary somewhere in Marin.

And finally we should not forget to note that BILL ENOMOTO brought not one but two beautiful dozens of roses - one for D.G. Aldo and his charming Margaret and one to who else but our own Pres. BILL'S lovely Barbara.

NEWS AND NOTES: In case you didn't not, raffle winner Dr. BOB BROWN gave \$30.00 of it to Polio Plus. How nice!

Good news on our much missed maestro, Dr. JIM GREENWELL who's doing well and has transferred from extensive to regular care at Sequoia and can now receive visitors.

We've been making mention of the on going guest for new members. MARIO ERCOLINI has now put some hard numbers on that. To allow for attrition and reach a new goal of 106 we will have to be inducting a record 3 new members a month! Sounds like quite a task but then, there are 83 of us who should be working at it.

NEXT WEEK: Back to the church on a regular basis once again. August Program Chairman LEIF SYRSTAD says we'll be hearing from Ron Useldinger of the Fitness Motivation Institute of America on the subject of "How to Remain a Rotarian and Stay Alive".

PRESIDENTIAL CITATION PROGRAM: As noted above we earned the 1986-87 Presidential Citation due to the outstanding effort of Past Pres. PETE. We are again challenged to attain the new Presidential Citation Award for 1987-88. This gives us an opportunity to demonstrate that we are committed to service and peace in a special way. The Citation, signed by the R.I. President and District Governor, will be given to our Rotary Club when we meet five of the criteria out of the eight printed below.

1. Achieve a Three Percent Net Gain of members in your club. (In order to offset normal attrition of 10 percent, a 13 percent gross gain is needed. Membership gains will be computed on the basis of increases from 30 June, 1987, to 30 June, 1988.)
2. Sponsor a New Rotary Club.
3. Sponsor a New Interact Club, Rotaract Club or Rotary Village Corps.
4. Initiate at least one New Service Project in vocational service, community service, or international service, during your year.
5. Participation by Club President and Secretary in the District Assembly.
6. Increase Club Representation at the District Conference by Ten Percent over last year's representation.
7. Increase Contributions to The Rotary Foundation by Ten Percent over last year's contributions.
8. Meet the PolioPlus Goal.

The district governor will judge and certify the clubs in his district that qualify for the award, and should notify the secretariat by providing the names of the qualifying clubs and club presidents, no later than 30 July, 1988.

ROTARIANS-- UNITED IN SERVICE--DEDICATED TO PEACE

The 1987-88 R.I. theme is a statement of Rotary's purpose and a call to action. It reminds Rotarians of who and what they are as well as their goals. Rotarians always have before them opportunities to serve and seek peace in their own vocations, their communities, and the world. Let people know that ROTARIANS truly are UNITED IN SERVICE and DEDICATED TO PEACE.

CHARTERED APRIL 22, 1946
DISTRICT 513

AUGUST 4, 1987 •

PENINSULA COVENANT CHURCH •

TODAY: Our speaker is Ron Useldinger, National Director, Fitness Motivation Institute of America. His topic: "How to Remain a Rotarian and Stay Alive".

CHARLIE BULANTI will be our finemaster according to C.W. FOX who's taking care of these assignments this year. No doubt you'll get a kick out of this guy from a boot.

LAST WEEK: It was one more nice day at the Sequoia Yacht Club with Pres. BILL protecting his gavel this time in a shoulder holster and looking more like the Mafia every week.

Song leader ALLEN GRUMAN had further good news on maestro JIM GREENWELL - now back at home and up and around a bit. And with that he led the chorus in a history lesson on that "Grand Old Flag".

Wasn't it great to have Dr. BOB DURKIN back again and looking good as new as he led the pledge. And thanks to MARIO ERCOLINI, who always looks good, for the invocation.

DAVE SCHUTZ did the fining in fine style. And after 41 years in R.C. Rotary you know he's had a bit of experience. 41 years! How can it be when you still look that young!

Our program was "Icebreakers" with the introductions taken care of by LEIF SYRSTAD. And true to tradition they were just as full of interest and humor as ever.

And typical of Rotary, the variety was endless. Thanks to all for their candid personal sketches.

HOWARD BAKER, going from a Seminary to the army and then to law enforcement in M.P. and R.C., then to the valley and now back to R.C. as Business Manager for the R.C.P.D., along the way gathering an M.B.A. and now pressing on towards a hoped for Phd.

BETH BERLIN - how could she not become a Rotarian! From UCLA to advertising and then back to the travel bug - a family thing - now managing her mom's agency here in R.C., specializing in Corporate and group travel.

DICK HATCH, from farm life - the real thing - in Nebraska to the army during the Korean War period before starting on a 30 year career with Security Pacific Bank. From the ground up - from teller to now a V.P. and Mgr. of their offices here in R.C.

MARIO RADDAVERO - born in Italy - lived in three worlds, from Italy to Argentina, the bottom of the new world and then to the top, to S.F.

in '64 and a career in hotel and restaurant management leading to his current situation as owner of the Hofbrau Catering Services here in R.C.

BOB BOLAND, a fourth generation San Matean and one of R.C. Rotary's youngest. Now a Real Property Attorney with Branson, Fitzgerald & Howard, Bob spent much of his life at the Univ. of Santa Clara, going from a BSC in Acct'g to an M.B.A. and finally a J.D. in law.

And that, as we note again, is a lot of variety to go along with a good spate of quality. The things that make R.C. Rotary what we are.

NEWS AND NOTES: DUES ARE DUE and Treas. ERNIE would like to have that check from you like now.

From STEVE MIKULIC the soft ball tourney in Foster City was a split. An 8-1 win over a R.W.S./S.M. EVC. Club team and a 6-11 loss to a long ball clubbing S.C. team. Good show and proof that some of the gang is still pretty fit.

Pres. BILL has copies of an interesting 30th anniversary booklet from the Hiratsuka Club including in pictures and words reference to the history of our long and successful relationship in student exchange.

Gaylord Smith of the S.C. club keeps a boat in La Paz. He'll be driving a van down there in October and would be happy to take a load of donated clothing to our sister club in La Paz for distribution to the needy in that area. Look about and think of what you might be able to add to such a "load".

Given an early D.G. visitation, most committee reports have been filed with Pres. BILL. Sometimes that lulls us into thinking we've already done a job. But no - remind yourselves that that was just a noble beginning. Read what you've said and now get to work.

NEXT WEEK: It follows well that next week we'll be having a "Membership Meeting". Who wouldn't prefer a good speaker? On the other hand, we still are the Rotary Club of Redwood City, CA and there's lots of good work to be done, so let's have at it.

You'll also want to come to see what's in store from our "Mystery Finemaster". You'd better believe - you'll be surprised.

N.B.: Did you read the final paragraphs of last week's SPOKE? Take another look. There are some objectives and goals there that need and deserve your attention.

PLANNING AHEAD: Dennis Durkin, Chairman of our Community Service Committee has reserved a booth for the celebration of the 50th anniversary of the Redwood City Parks and Recreation Department to be held September 26, 1987. It will be a great way for us to show the community of Redwood City who we are and let them know what we do.

COMMITTEE: Our Rotary Club operates through committees which work in the four avenues of service. Each member of our Club serves on at least one committee. The committees are the planners and platters of what we do to serve within the four avenues Community, International, Vocational and Club Service. Once a committee implements the plan, however, it is our job as Rotarians to support the activity on a club wide basis.

AUGUST 11, 1987

PENINSULA COVENANT CHURCH

TODAY A "Membership Meeting" - a time to hear from Pres. BILL and a time for him to hear from you. Your input is vital. After all, we can only make it as a team.

So now you get to find out who our "Mystery Finemaster" is. Enjoy!

LAST WEEK President BILL had a pretty good handle on the gavel but not the gcng.

Past D.G. SID got the chorus going in good fashion, albiet we sure dc miss our maestro Dr. G - hope he doesn't forget how to play before he gets back. Thanks to DENNIS D. for the pledge and BETH BERLIN for the invocation.

Our finemaster was CHARLIE BULANTI with a clever approach but he's a sure talka funny as he raise'a da money. One thing for sure, RC Rotary is about as International as they come.

Another of those happy times as AL LAOS took care of inducting the first new member he has sponsored, DAVE BENNETT who received all the necessary varia with wife Nancie at his side. Both born in So. California, DAVE, Nancie and their three children aged 9, 6 and 21 mos. now reside in Foster City. A grad of Cal State Northridge, DAVE is owner of the relatively new Mollie Stones Farm Market on Woodside Road. And to help keep our average down, DAVE is 33. Welcome!

Program Chairman LEIF SYRSTAD introduced the day's speaker, Ron Useldinger, National Director, Fitness Motivation Institute of America. A former H.S. coach and consultant to numerous professional sports teams, Ron tried to pass along some advice and suggested exercise programs and perhaps, as much as anything, some inspiration to do something about it. No doubt, we could probably all benefit from a bit more - quite a bit - of the right kind of activity.

NEWS AND NOTES R.C. Rotary contributed \$500.00 as its share in supporting the District Conference. At the podium, President BILL held up a check for \$500.00 received from past D.G. SID - a rebate on that most successful event. We don't know how you can be more successful then that. With those kinds of tricks, maybe he ought to be in

congress. We could stand some of that non-deficit spending.

You've heard that the club has reserved a booth for the celebration of the 50th anniversary of the Redwood City Parks and Recreation Department to be held, Saturday, September 26th at the Red Morton Community Park. Community Service Chairman DENNIS DURKIN now passes the word that we will be selling Nachos and soft drinks and that your help is needed. Reserve the day and let DENNIS know that you'll be a volunteer.

**NEXT
WEEK**

Our speaker will be Margie Bush, Administrator of the Redwood City Neighborhood Boards Program. She'll be talking about the work being done by volunteers in mediating various kinds of disputes between neighbors and handling other kinds of neighborhood problems.

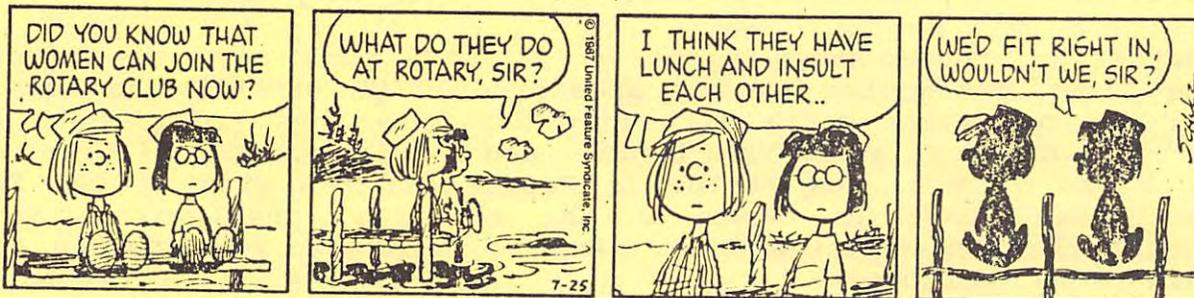

Finemaster for that day will be BOB DOOLEY. Given the job he did for the District Conference, this task ought to be easy (for him).

N.B.

Are you passing out those ticket applications for the Dixieland Jazz Jamboree to be held September 12 at the San Mateo County Fairgrounds? You don't have to sell anything or collect anything so what could be easier. Talk it up and pass them out to your friends, neighbors and business associates.

Did you know that Canada and the United Kingdom have made Polio Plus donations totalling almost \$2.8 million? The Canadian Public Health Association has allocated \$1.235 million and the U.K. \$1.538 to immunize children in 13 developing countries.

PEANUTS/Charles Schulz

MISSED THE POINT:

Charles Schultz has a "cute" comic strip that is good for a chuckle. We wonder, however, if perhaps this is a generally accepted concept of what Rotary is all about. If so we need to continue our effort to bring our candle out from under the bushel basket and let the world know what we are all about.

Polio Plus, scholarships and other international services; community services such as painting a house, helping Kainos or the Casa de Redwood people; vocational service and service to youth --- these are some of the things Rotary is about. We hope Mr. Schulz might find some humorous way to tell the world that the men and women of Rotary do much more than "have lunch and insult eachother".

AUGUST 18, 1987

PENINSULA COVENANT CHURCH

TODAY: Margie Bush, Administrator of the Redwood City Neighborhood Boards Program will be describing the work being done by volunteers in mediating various kinds of disputes between neighbors and handling other kinds of neighborhood problems.

BOB DOOLEY who did such a whale of a job on the District Conference is going to give you a taste of his expertise as finemaster.

LAST WEEK: Once again Pres. BILL called on PDG SID to keep the chorus in tune with new member DAVE BENNETT leading the pledge and DENNIS D. giving the invocation.

Past Pres. PETE was presented with a 4 sapphire Paul Harris Fellow pin by Pres. BILL in recognition of all the P.H. Fellowships he has given and if we heard it right, that was even one short of a true total of five. My oh my!

BOB BOLAND got rid of his pink badge - did that in pretty good time - you other new members be sure to follow suit. DOOLEY is one of those doers and once again BOB was up front to handle the induction of another of those many fine new members he has sponsored. This time it was LLOYD G. LEWIS, owner of Metals Heat Treating Co., Inc. on Douglas Avenue here in RC. A resident of Millbrae and former member of the Millbrae Rotary Club, LLOYD and his wife Rose celebrated their 50th wedding anniversary this past year. They have three grown children and two grandchildren. Be sure to give LLOYD a real R.C. Rotary welcome.

And who was that mystery finemaster - none other than former outstanding R.C. Rotarian LOU COFFARO, a member of the Belmont club for the past year and a half. And how did he get here? Your good fellow C.W. FOX called him - didn't even know he was gone and of course it cost him. Former Club Treas. and Auction Chairman Lou showed he's lost none of that touch and for which Treas. ERNIE is no doubt grateful. Good show!

And so it was on to our first Membership meeting of the new year with Pres. BILL leading a lively discussion on the ways and means of the Clubs raising a Board recommended \$20 thousand special contribution to Polio Plus this year and in each of the following four years.

JON RICH, Chairman of the drive, discussed an approach combining a \$ per member contribution plus a special event such as a \$200/couple dinner with substantial prizes and involving community participation as a primary support so that the memberships regular fund raising efforts and activities are not drained away.

PDG SID proposed, in contrast, the solicitation of major gifts in house, as to speak. And, as you know, he has already made personal commitments in that regard.

Many views and comments came forth from a surprisingly large attendance - especially in view of this vacation period of the year.

No definitive conclusions were reached and Pres. BILL got, as he hoped, a lot of useful input. R.I. input on Polio Plus fund raising activities will be coming along by October, we understand, and it appears unlikely that a final program will be formulated before then.

OTHER VARIA: A reminder once again from Club Treas. ERNIE that your membership dues are due - really overdue at this date, so please, take a moment and write that check - now.

A note of regret. Pres. BILL advises that the club has received a letter of resignation from BILL TRESNON. He'll be much missed not only for all he's done but for all he is.

If you don't have a copy of the Club's Goals for 1987-88, get one from Pres. BILL. If you do have a copy, please take time out to read it - not only so that you're aware of what we're doing but most of all so that you can see where you fit in and find your parts in the total scheme. Once again, we can only make it as a team.

NEXT WEEK: Prog. Chm. LEIF SYRSTAD says we'll be hearing from some Rotary Scholars. One will be Paul Weston, a teacher of the handicapped who was sponsored by our club and spent a year "down under". The other will be a young man from the Philippines presently attending Golden Gate University for one year, Gil Mayol.

Your finemaster? At this writing "C.W." has said only that it will be either HACK or KECKLEY. So you've got two to be nice to.

SEPTEMBER YOUTH ACTIVITIES MONTH: Why does Rotary set aside a special month for youth? Here's one good reason: Youth is Rotary's long-term investment in the future of the community, the nation, and the world! So, circle **September** on your calendar. This is the month when all members should appraise their work with young people. Are we helping them develop their abilities, particularly in leadership and citizenship?

Our Board has already taken steps to support youth activities by authorizing the purchase of Honor Plaques for Sequoia High School. Our Vocational Service Committee is reviewing a request from the Regional Occupational Program for scholarships to youth pursuing vocational careers and our Community Service Committee is reviewing the Adopt-a-School program. Our Youth Occupational Information committee is planning to put youth with a particular interest in touch with our members with expertise in such area of interest.

AUGUST 25, 1987

PENINSULA COVENANT CHURCH

TODAY: Rotary Scholars. A chance to hear first hand something about participation in this great world-wide program. We'll be hearing from Paul Weston, a teacher of the handicapped who was sponsored by our club and spent a year "down under" and, from Gil Mayol, a young man from the Philippines who is presently spending a year attending Golden Gate University.

Your finemaster? According to HACK and KECKLEY They're not it so we'll just have to wait and see who C.W. FOX has lined up. It's HACK watch out for steam rollers.

LAST WEEK: Pres. BILL called on ALLEN GRUMAN to lead the chorus and true to his promises, ALLEN gave another mini lecture on little historical side lights regarding the creation of our constitution whose 200th anniversary we will all soon be celebrating.

Chief GUARDINO led a d' pledge and CHARLIE BULANTI gave the invocation.

Recognizing our lady Rotarians, Pres. BILL presented BETH BERLIN with her regular badge and welcomed home JUDY SMITH, just returned from her annual tour with the Vanguards drill team, putting her a step ahead of Septembers' Youth Activities month.

Past Proxy BOB DOOLEY stepped up to do the fining and for someone who said he was not prepared did a right fine job.

August Program Chairman LEIF SYRSTAD (and it's pronounced "LAYF" not "LEEF") introduced our speaker, Margie Bush, Administrator of the Redwood City Neighborhood Boards Program.

Funded by the City of Redwood City, San Mateo County and private corporations and foundations, the Neighborhood Boards Program provides a free mediation service to seek resolution of neighbor to neighbor disputes and other conflicts of a more general nature (eg., landlord/tenant disputes).

Ms. Bush described and gave examples of the kinds of problems they deal with, noting that their mediated hearings have produced successful agreements 80% of the time. An interesting approach for neighbors who don't see eye-to-eye and often don't even know whose eye they're seeing.

NEWS AND NOTES: Past Pres. PETE is passing around a sign-up sheet soliciting voluntary assists in entertaining our exchange student arriving towards the end of this month. This is apart from the housing and involves things like tours by land, air or water, dinners, parties, visits to places, participation in family events, etc. Think of the many things you might be able to offer, big or little and let PETE know.

ROY FRANK reminds the special Events Committee that it's time to get started on planning for things like the Christmas Party. Get ready, get set, go, go.....go!

Pres. BILL notes that Dr. Joe Serra will be presenting his inspiring talk and slide show on the wonderful R.I. polio program in Mulawi at the Menlo Park Club on September 23. If you haven't seen it, don't miss this chance. Then on November 4, Menlo will be having Rick King - another program you shouldn't miss if you've never seen.

N.B.: Take a look at the August copy of The Rotarian. On page 23 there's a column entitled "a vital force today". It starts "Rotary is well known in Brazil. Anyone you meet - on the street, on a domestic airliner, in a business office or public institution, knows what Rotary is and what it does".

Read the article and then remind yourself of all the immense skills and talents the members of our club - and most any Rotary Club - possess. Now let your mind wander and think of all the areas of our community's life where you and your special knowledge can be of such value and make such a difference when that knowledge is offered for free to those in need who can't afford. We can make such a difference - doing what may seem to be little things (but big to those who don't know how) - in the name and spirit of Rotary and Service Above Self. Think about it.

NEXT WEEK: We will hear about life in Israel from Past District Governor of District 249 (Israel). There is probably no better chance to learn first hand about life in the Holy Land from the inside viewpoint than from a top Rotarian from this sometimes turbulent country.

We are back to the mystery finemaster, nevertheless, even the unknown shearer seems to fleece well.

REDISTRICT REPORT: The select committee to study splitting our District has met and returned a unanimous recommendation to the D.G. "Split the District into two Districts at the Marin Sonoma border." This was a much debated issue and the committee heard arguments that ran from split at Sonoma Mendocino to split at the Golden Gate. They felt the fairest and best split is per this proposal. We will need a vote on this issue soon. It is unreasonable to ask any one man to visit 64 or more clubs. The split would leave us in the south with 30 clubs and the north with 34. The potential to up over 40 clubs soon is very high.

COWBOY BILL: ALDO'S MESSAGE The official D.G. Newsletter shows a picture of Aldo admiring President Bill's wild west gunbelt gavel protector. The caption refers to "Cowboy Bill". We all knew Bill was punchy but a cattle puncher??

Let's see if Cowboy Bill and his Membership Development Committee can round up new members to fill all the slots in our bunkhouse of classifications. The whole club needs to help identify mavericks for the great membership round up.

ROTARY VILLAGE CORPS: Rotary International President Charles C. Keller has asked each Rotary Club in the world to make a special effort this year to adopt a project under the newly organized Rotary Village Corps Project (RVC). An RVC is a non-political and non-sectarian organization of service minded adult men who are not Rotarians who are willing to work together in the spirit of self-reliance to meet the needs of their community. They are brought together and organized by a sponsoring Rotary Club to develop projects for this purpose. An RVC agrees to undertake at least two projects annually, one to serve the community and the other to encourage respect for all useful work. Though it receives guidance from its sponsoring club, it is responsible for planning, financing, and executing all of its own activities.

SEPTEMBER 1, 1987

PENINSULA COVENANT CHURCH

TODAY: A visit from Lucien Harris, Past District Governor of District 249, Israel. This should be a wonderful opportunity to get a first hand look and insight into the turbulent life and times of the Holy Land and its neighbors in this most critical period.

According to C.W. Fox your finemaster will be DON HACK, beware the steamroller may flatten us out.

LAST WEEK: President BILL, soon to be known as "Cowboy Bill" and fittingly hatted to the role, once again called on DR. ALLEN GRUMAN to lead the song and once again ALLEN slipped in another tidbit relating to the upcoming celebration of our nation's Constitution's 200th birthday coming along in little more than a couple of weeks. And that's how to make a sentence into a paragraph.

Soon to be inducted as a new member, ESTHER GREEN led the pledge followed by the invocation by Past Pres. ROY FRANK.

Still looking for finemaster candidates, finemaster chairman C.W. FOX took to the podium to do the job himself. And do it he did and not bad at that. But since when were finemasters "asked" to serve? Seems to us we've always just been told.

The days' program gave all a chance to hear from two sides of the Rotary Scholars program. One a visiting scholar from the Philippines and one a scholar sponsored by our own club for a tour abroad.

Gil Mayo of the Philippines, a graduate of the University of the Philippines in Accounting and now a CPA is spending a year at Golden Gate University studying International Relations. Only 23, Gil's father is also an accountant, his mother a University Professor. After speaking of his own background, Gil discussed some of the present day conditions, aspirations and problems in his native land.

Serving as a counselor to Gil, President BILL happily noted the receipt of a mid term report for Gil showing a 3.67 GPA performance.

PAUL WESTON, a teacher of the handicapped, lives here in Redwood City with his wife and two children. His professional activity is in the high schools of the San Jose School District.

Now returned from a year in New Zealand with his family, Paul spoke enthusiastically of his year "down under" engaged in a very successful research project at one of this island nations' five universities. Called "one in seven", the ratio of handicapped to normal H.S. students, the project received official sanctioning and additional funding from the government's department of education and, in Paul's view, will have

a significant impact on teaching in this area not only in N.Z. but world wide.

Paul also gave an interesting description of the current economic, social and political conditions in New Zealand.

A fine program and real testimonial to the great and meaningful R.I. scholarship programs.

NEWS & NOTES: Cowboy BILL says we'll be hearing more of a new round-up program in the works dealing with that ever vital and critical matter of new members.

Past Pres. ROY says the Special Events Committee is trying to decide between a mid-week fishing trip on the "Wackey Jackey" for about 25-30 persons and an evening dinner and to the theatre party. In a show of hands it looks like both events have a good cadre of supporters. Maybe both can fly.

Past Pres. PETE says our exchange student (for a year) from La Paz is now here and once again solicited offers to assist in the entertaining and caring for this fine youngster. Look at the sign up sheet for ideas and then pitch in yourselves.

September 26 is the 50th anniversary celebration of the R.C. Parks and Rec. Dept. We'll be helping in the celebration by maning a stand selling nachos and soft drinks. Who's managing our participation - who else but DENNIS DURKIN! The tours are short. Come on now - tell DENNIS you'll pitch in.

On September 24 there will be a ZONE Conference at the Marriot. Some tickets are still available for the luncheon at \$20.00 each. An exciting event with the first Rotary exchange student from China speaking at the luncheon and a full discussion taking place on the question of putting Rotary in China.

NEXT WEEK: The program is still being firmed up by the program committee, the finemaster, however will be Mario Ercolini. Perhaps a new member proposal will get you off fine free.

AVENUES OF SERVICE: In 1922 the RI convention refined the "objects" of Rotary. The early versions had emphasized the "business motives" but the gradual evolvement of goals reflected concerns common to a new organization; e.g., in 1910 the first object was "to extend and develop Rotary principles by the organization of affiliating Rotary clubs throughout America." In 1912 five objects covering such things as promoting the worthiness of all legitimate occupations, encouragement of high ethical standards, increasing efficiency by exchanging ideas, promoting acquaintance, and quickening the interest of each member in the public welfare and civic development were adopted.

In 1915 a sixth object was added to the club objects, "to stimulate the desire of each member to be of service to his fellow men and society in general." There were six objects until 1935 when the Mexico City Convention adopted four objects. In 1951 the convention agreed that Rotary had only one object with four parts. These parts, then, became the "four avenues of service": club, vocational, community, and international respectively.

PENINSULA COVENANT CHURCH

TODAY: Icebreakers - is that it? Fantastic! These gems are among the best programs ever. What a wonderful way to get to know our new fellow Rotarians.

MARIO ERCOLINI is today's finemaster and here's where the micro will no doubt change to the macro in terms of how it strikes you.

LAST WEEK: Pres. BILL, "Cowboy BILL", that is, took to the podium fittingly decked out with holster and hat. How many does he have? There's got to be a room at 275 Ridgeway Road that must look like a haberdashery.

Songleader DR. ALLEN G. continued his constitutional countdown noting that only one of our membership shared a name with any of the original signers - and who else but a SMITH.

Leading the pledge was our generous giver of the roses and Past Pres. BILL ENOMOTO. Club Sec'y AL took care of the invocation. Thanks to all.

Among the introductions of visitors, guest, et al. Past Pres. PETE introduced our exchange student from our sister club in La Paz, Marco, along with two of our club's participants this year in our longstanding student exchange program with the Hiratsuka (Japan) club, Susie and Joe. Albeit their remarks were not particularly expansive, it's pretty clear that Susie and Joe were very appreciative of and happy about the wonderful experience they enjoyed.

And, in the continuing and always happy experience of new member inductions, Club Secy AL LAOS pinch hit for sponsor RON KOSTER in presenting new member TOM DELFS. A Placement Unit Supervisor with the S.M. County Probation Department, TOM, a native of Troy, N.Y., picked up his B.S. and M.P.A. degrees from the University of Arizona. Joining in the ceremony, TOM's lovely wife, Catherine picked up the day's dozen roses. And lest we forget, they have two grown children, Catherine (25) and Matthew (20). Welcome!

DON HACK did the fining, smiling all the while as he steam rolled over his hapless targets.

Unfortunately, the days scheduled speaker, Lucien Harris, Past District Governor of Dist. 245, Israel, took ill the prior evening and could not be with us. We certainly wish him a swift recovery.

Given those circumstances, Pres. BILL used the occasion to discuss some matters that failed to reach the floor in the club's membership meeting a few weeks ago.

The primary topic was the now almost annual review of the question of the club's meeting place. This time around the discussion focused on the possible use of

the Sequoia Yacht Club facilities. Some of the considerations kicked about: location - some say better, some say no better; open bar at Sequoia Provided a Yacht Club member present; a \$30.00/wk higher cost at Sequoia; a less favorable seating arrangement and capacity at the Yacht Club.

These and other questions should best be given to the entire membership for vote according to Pres. BILL.

On other matters, Pres. BILL noted that "Summer's over" and he's looking to all committees getting up a full head of steam in firming up their planning for this new Rotary year.

As Pres. BILL sees it, it's up to the committees to do the planning, establish the targets and goals and then utilize the entire membership to participate in converting these plans into reality.

OTHER NEWS AND NOTES: PDG SID noted that the question of redistricting Dist. 513 was taken up and recommended for approval by a select group of Past District Governors and club Presidents. As now perceived the line would be drawn at the Marin/Sonoma County border leaving 30 clubs Marin to the south and 34 to the north. An additional prospect exists that would add perhaps 5 clubs from the next district to the south to the new southern half of old 513.

All this, of course, is subject to R.I. approval and all the foregoing remains at this point tentative.

Reminders: DENNIS D. needs more helping hands to man the nachos and soft drink stand our club is operating as part of the 50th anniversary of the R.C. Parks and Recreation Department celebration to take place on September 26. Come now, mark your calendar and get ready to pitch in. Just a few hours is all that's needed and less as more pitch in.

Don't forget that both PDG's SID and BOB PAROLI have tickets for the Zone Institute luncheon at the Marriot on Thursday September 24. The tab is \$20.00 per person but should be a great time as the first Red Chinese Exchange student (Rotary) now at Stanford discusses not only his own situation but also the prospects for Rotary in the Republic of China today.

NEXT WEEK: Club Treas. ERNIE is due up as finemaster. He knows what's needed and he's in the business of giving and getting that green stuff every day. So you given and he gets. CHEERS!

FOUNDATION SCHOLARSHIPS: Ambassador of Good Will ... We recently had Rotary Foundation Scholars for our program, the purpose of the Rotary Foundation Scholarships is to further international understanding and friendly relations between peoples of different countries. Both men and women may apply to accomplish one academic year of study in a foreign country where Rotary clubs are located. During the year of study, Foundation Scholars are expected to be ambassadors of good will interacting with the people of the host study country through appearances before Rotary clubs, school and civic organizations and other forums. After the foreign study has been accomplished, the scholar is expected to share the understanding acquired during the scholarship studies with the people of the scholar's home country and the Rotarians who sponsored the scholarship.

DISTRICT 513

SEPTEMBER 15, 1987

PENINSULA COVENANT CHURCH

TODAY: Our speaker is Jerry Ostrander who will be speaking on the "Beyond War" movement. Mr. Ostrander is currently working for Raychem, a chemical company. He's the director for U.S. Sight facilities and responsible for 80 Raychem Buildings in Menlo Park and Redwood City as well as sales offices around the U.S.

Club Treasurer ERNIE GLENN is due up as today's finemaster and is probably looking forward to it to help balance the budget and cover (oops!) any shortages.

LAST WEEK: Pres. BILL is still keeping that gavel well holstered and no doubt frustrating all the club's erst-while burglars - or should that be spelled BERGLER?

PDG SID got the chorus going to celebrate the upcoming Giant's victory that night - sure had it pegged right. Steve Perry of the S.M. club gave the pledge and Past Pres. PETE (the Pius one) the invocation.

And keeping things on a high note, Pres. BILL did the honors in presenting MEL ANISMAN with his Paul Harris Fellowship. Congratulations!

Among the introductions, recently appointed Superior Court Judge Margaret Kemp, soon to be inducted new member Esther Green and that very fine fellow, PDG Bob Paroli. And who won the day's drawing? Paroli, of course. And who paid him off? Son-in-law SAM, of course. A connection?

Finemaster MARIO ERCOLINI kept pace with the best and they weren't slim pickings. Even the good Msgr. got tagged - kind of fun to reverse the collection plate. You upcoming finemasters, don't forget that Pete (Msgr) did pick up the fine free badge for September. His reward for being able to read latin. Well, at least he can read.

The days' program was to have been "Icebreakers" One who was supposed to have delivered was Dr. JOHN HOFF but no sooner had he arrived than he was called to make another delivery.

By the time ALAN BOSTWICK got up to make the introductions which, of course, could have been a program in itself, the "Icebreakers" were down to one. (ALAN, by the way, was pinch hitting for erstwhile Program Chm. DICK HENSON).

What luck, though, as new member DAVE BENNETT gave a wonderfully interesting accounting of his young 33 years and the myriad of experiences that preceded the establishment about a year of the supermarket scale MOLLIE STONES Nature Food Market and Emporium on Woodside Road (between Hudson Street and Wegman's Nursery). A really fine job by DAVE, both the "Icebreaker" and Mollie Stones. Stop by and see for yourself.

NEWS & NOTES: Hear tell that MIKE KREISS will be leaving - may already have left - Sequoia's extended care unit. Let's hope we'll be seeing him again before long.

Also good to hear that ALAN GRUMAN, now recovering from hernia surgery may also be rejoining the group in the near future.

And rounding out the infirmity list, we understand that our much missed maestro, DR. JIM GREENWELL is up and around and active at home albiet still making some regular trips to Sequoia. Let's hope we can enjoy his company too before long. Meantime, how about those cards and calls for all.

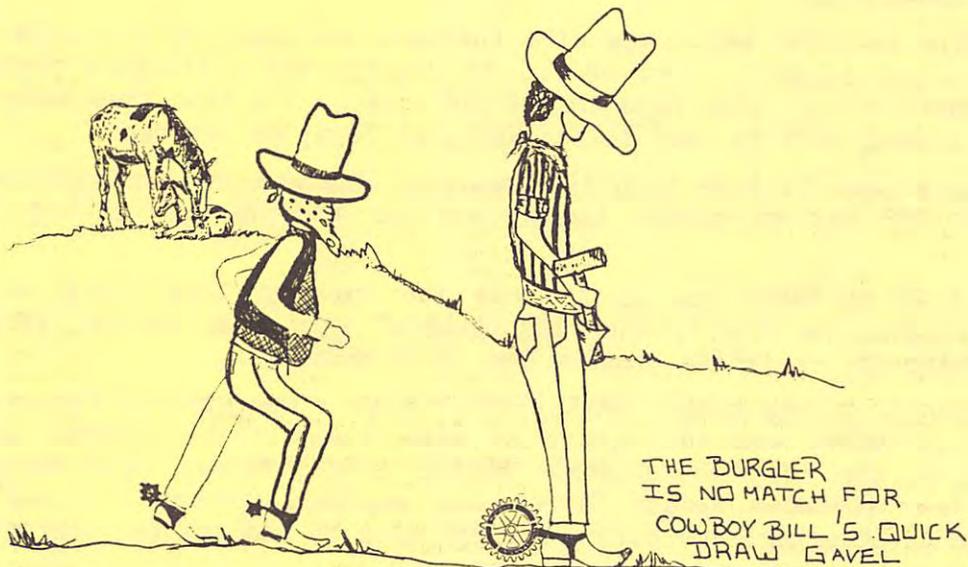

On to other matters, the Millbrae Club is having an auction - a \$1.00 ticket buys you a chance at a three week use of a motor launch on S.F. Bay. That's a pretty enticing buy. And the Palo Alto Club is selling tickets for a special luncheon and the Stanford/UCLA game, which could be Sat., October 3 down on the Farm. Tab for the luncheon is \$18.00 with the game tickets at \$20.00. for a total of \$30.00. Should be a great event. This is their big fundraiser for **POLIO PLUS**.

Back home, don't forget you've got to give DENNIS DURKIN a helping hand in manning our Nachos stand at the September 26 Parks & Recreation Department's 50th anniversary celebration. Every little bit helps so call him at 364-6900 and set an appointed time.

COMING UP NEXT WEEK: Your finemaster will be (brace yourself) none other than Past Prexy ROY FRANK - and you know the kind of tastes he has. And if you think things look black this week, you can bet they'll look pretty bleak next week.

On a happier note, throw on the casual clothes and let's have some fun and fellowship. Our Tuesday, September 29 meeting will be at Pres. BILL's home in Woodside Hills. This will be an outdoors event with cocktails from 6-7 p.m. and dinner at 7:00. There'll be a minimum of business and no fines but lots of fellowship.

N.B. This September 29 meeting, evening though it may be, will serve as a regular meeting and is for members only (no spouses or guests).

SEPTEMBER 22, 1987

PENINSULA COVENANT CHURCH

TODAY: Our speaker will be John Golden who is an Attorney. He will be speaking on Durable Powers of Attorney for Health Care and the issue as to whether people should be allowed to die or not by this instrument.

Past Prexy ROY FRANK will sock it to you as finemaster. At least you can be sure it will be fun - for him.

LAST WEEK: Cowboy BILL sported another chapeau to go with that holster, wahoo! And showing no signs of surgery whatsoever, song leader ALLEN GRUMAN gave his last pitch to the constitutional celebration and already has us all pointing to the next of a kind, a birthday for the Bill of Rights.

Club Secy AL LAOS led the pledge with your editor giving the invocation.

Pres. BILL did the honors in handling the induction of new member ESTHER GREEN. A native of Texas, ESTHER's classification is "Financial Services, Surety Bonds". ESTHER not only has three children but three grandchildren as well, hard to believe! Her hobbies and interests include boating, golf, skiing, art and politics. Welcome!

And on the subject of new badges, DICK HATCH earned his regular one and STAN SILVERSTEIN picked up a new senior active classification. My, how the time does flee.

JOHN WOOLEY stepped up as finemaster in place of Club Treas. ERNIE, a substitution that must, indeed, have pleased our money minder. WOOLEY of course is not new at this game of fund raising and do it he did. Come on now, you enjoyed it, didn't you? That is, you guys who got missed.

Our speaker was Jerry Ostrander, representing the "Beyond War" movement. A director of facilities for Raychem, Jerry and his entire family are involved in the "Beyond War" program. Taking care of the introduction was our own program chairman for September, DICK HENSON.

In an articulate and provocative talk, Mr. Ostrander described the philosophies and objectives of the Beyond War Foundation, started five years ago in Palo Alto where it is still headquartered. With a membership grown to over 10,000. This non-profit educational foundation seeks to inform and communicate its view that war is no longer a viable means of resolving disputes. Not an easy subject to sum up but an interesting and, as said, provocative program well received.

NEWS & NOTES: DON HACK says that pictures (for the club directory) will be taken at the October 13 and 20 meetings. It's a lot of work to do all that's necessary to put a new directory together. And that's why Pres. BILL asks that you be sure to attend at least one of these meeting dates and get your picture taken.

With DR. GRUMAN back it's one down and two to go with favorable reports thus far on both DR. JIM GREENWELL and MIKE KREISS.

DENNIS DURKIN still needs more help in manning our booth for the September 26 Parks and Recreation 50th Anniversary celebration. Seems like too many are figuring someone else will do it. Time to get serious about doing your part!

There will be a district wide training session on the Polio Plus campaign in Santa Rosa on Saturday October 3. Those responsible for or interested in this vital program should give Pres. BILL a call if you can attend this important session.

October 3 is also the Stanford/UCLA game when the Palo Alto Club is sponsoring a tailgate special - very special - for \$18.00 a person with game tickets at \$20.00. This is their fundraiser for Polio Plus. A good deal for a good purpose.

NEXT WEEK: Better remember that our regular meeting on the 29th will not be at the church but instead will be a Bar-B-Que Dinner at Pres. BILL's home at 275 Ridgeway Road in Woodside Hills.

This is a members only event - a casual dress affair and outdoors event so dress accordingly. Cocktails from 6-7pm with dinner at 7. Lots of fellowship, no fines and a minimum of business. What more could you wish? If you haven't already signed up, please call Past Prexy ROY. Don't miss this one.

You're not forgetting this is Rotary Youth month are you? the Rotarian has lots of interesting articles on Interact and its last 25 years of service.

At the rate we are moving, what are now the "youth" will be influencing your lives in many ways and so much sooner than you think, it's time, we think, that you had better think very seriously about them. The help you give them is likely to be the help you'll need.

ON TO PHILADELPHIA: W.C. Fields may have been right when he knocked Philadelphia 50 years ago but today he would be amazed at what redevelopment can achieve. It is appropriate with the Two Hundredth Anniversary of the Constitution that we assemble in Philadelphia for our next Rotary International Conference. This will be a great opportunity to visit the many historical sites both in and around Philadelphia and to see Rotary in action. To a person, those who have attended an RI International Conference will agree that the real feel for the spirit of Rotary, especially its spirit of International Service, is discovered at your first convention and it stays with you forever. Pres BILL and Pres. Elect BOB would like to lead a large, strong contingent to Philadelphia Next May 22 to May 25. They invite all R.C. Rotarians to join them with a special invitation to Rotarians attending for the first time. Let's put a group together for a great time in the City of Brotherly Love. For information contact Pres. BILL or Pres. Elect BOB.

AT PRESIDENT BILL'S HOME

W E L C O M E !

TONIGHT:

An evening of fellowship with cocktails and dinner at President BILL's Woodside Hills home on Ridgeway Road. And that's a program that's hard to beat.

LYLE EDSON was due up as finemaster but word has it that even that procedure will yield to the food and drink. Gets better all the time!

Enjoy yourselves, Gentlemen!

LAST WEEK:

Pres. "Cowboy" BILL called on songleader ALLEN GRUMAN to crank up the chorus, visiting R.W. Shores Rotarian Laurie Dematteis to give the pledge and Past. Pres. PETE for the invocation.

Past-Past Pres. ROY FRANK trotted to the podium to do the fining - you can tell how much he enjoys the "sock it to 'em" game. When he picked on ALLEN GRUMAN (winner of the day's drawing) the good DR. G. volunteered the whole of his \$25 winnings. How nice! It helped offset what Mgrs. PETE would probably have paid for his part in the Pope's visit and that assist from upstairs in the Niner's last win. How was ROY to know PETE had the fine free badge? He would have if he had read the previous week's SPOKE.

Speaker for the day was attorney John Golden who tried to shed some light on the background (legislation passed three years ago) and use of Durable Powers of Attorney for Health Care. One impression, if you think you see a need you'd best see an attorney. Still, a subject of growing interest.

NEWS & NOTES:

Past D.G. SID had the pleasure of giving away the bride as daughter and fellow Rotarian BETH took a husband a few days back. Congratulations!

Don't forget that directory pictures will be taken at the October 13th and 20th regular meetings. See to it that you make it to at least one of those meetings or you'll foul up the hard work of DON HACK.

Another reminder, this Saturday is the Palo Alto Club's Polio Plus fund raising tailgate party at the Stanford/UCLA game. Tickets for the MacArthur Park Tailgate event are \$18.00 per with game tickets at \$20.00 per.

On that same day the district wide training session for the Polio Plus campaign takes place in Santa Rosa.

At this writing the R.C. Parks & Recreation 50th Anniversary celebration on September 26th is still to come. By the time you read this it's already happened and we surely hope DENNIS DURKIN got some help in manning the Club's Nachos and soft drinks booth. Sign-ups as of last week were pretty lean and don't speak well of the "service" you've pledged to give.

NEXT WEEK:

There'll be a regular meeting on Tuesday October 6. It's hoped you will also take time to attend the annual Port Day Luncheon at the Port of R.C. the next day, Wednesday, October 7 at noon.

CANADA ROTARACT:

Our own Canada College Rotaract Club is blasting its way into the new school year with dynamic leadership and lofty goals.

An organizational meeting was called by president MOUNZER ARISLAN with the faculty advisors and our Rotaract Committee. An outline of the plans, goals and wishes of the Rotaract leaders was presented. There will be a new semester kick-off dinner for faculty and the leaders of various student organizations on October 9. A general recruitment of students to join Rotaract will be held the week of October 12 with recruitment of new members continuing throughout the week.

Due to the strong international involvement at Canada, Mounzer believes that Polio Plus will be a strong incentive for students to become involved with us in the promotion of our Polio Plus campaign.

Mounzer also plans to work with our vocational service committee to tap the leadership resource which the Rotary Club of Redwood City can provide to Canada. Through Rotaract we can help with career counseling, a real opportunity for both Canada and RWC Rotary.

Planned activities include fellowship among Rotaract members, increased participation in our club meetings and activities and participation in District events.

Plans were discussed for the presentation of a Canada Forum with Polio Plus as a primary topic. The Canada College Student-Faculty Relations Committee regularly sponsors such forum to provide indepth information on timely topics. This will be the first time our Rotaract will take an active part in such a Forum. With a Forum as a cornerstone the Rotaract Club hopes to create a student Speakers Bureau. This could be a great resource to our program committee.

Finally Arislan outlined a plan for the establishment of an interclub office in the cafeteria building which would benefit the Rotaract Club as one of the major student activity organizations on campus. He indicated that a proposal would be forthcoming to ask our assistance in the creation of this all important physical asset for operation of the Club.

OCTOBER 6, 1987

PENINSULA COVENANT CHURCH

TODAY: Our speaker today will be Joe Marchi. A counselor for Canada College and the director for the Center for the American Musical at Canada College. He will be speaking on the American Musical.

LAST WEEK: 275 Ridgeway Road, Woodside Hills, Way to go! Pres. BILL provided poolside seating to go with the beer, wine and chip dip and a fine buffet dinner catered in by new member MARIO RADDAVERO's Hofbrau Catering Service.

With all these "perks" why wouldn't everyone vote for BILL and Barbara's lovely home for our regular meeting place. Sure we would - everyone, that is, except BILL and Barb.

But wasn't it nice! Good fellowship, good food and drink. A fine time with not a fine assessed. Remember to give Past Prexy ROY FRANK a pat on the back for his big part in putting this pleasant evening together.

And now that you've all been buttered up, better dig up those committee assignments and start remembering those noble objectives and goals you all committed to early on for the District Governor's visit. Time to roll up your sleeves and have at it.

NEWS & NOTES: Don't forget the Annual Port Luncheon tomorrow. R.C. Rotary has always been well represented in the past and we should make sure we keep up this evidence of community support. Do it for DODGE.

October is Vocational Service Month and when Paul Harris created an idea for a club based on vocations, he touched directly on a factor of immense significance in the lives of everyone. Consider these words of English philosopher-mathematician Alfred North Whitehead: "The behavior of the community is largely dominated by the business mind. A great society is a society in which men of business think greatly of their function". To Rotarians this thought has a special validity, as Vocational Service enjoins every Rotarian not only "to serve the community through his business or profession but also to take pride in his vocation".

A new name to tuck away in your memory bank. Rotarian HUGH M. ARCHER of the Rotary Club of Dearborn Michigan has been unanimously nominated for President of Rotary International 1989-90. Wouldn't it be nice if our political parties could do it so neatly and effectively.

So short a time ago, it seems, R.I. finally reached one million members. Where are we now? 1,040,440 in 23,145 clubs in 161 countries and geographical regions. WOW!

Keep reminding yourself to think of family outings or doings that might include our personable young exchange student from our sister club in La Paz who's presently staying

with Past Pres. PETE. You'll enjoy him and be a big help to PETE and those who follow in providing our visitor a home away from home.

NEXT WEEK: On October 13 we expect to be hearing from Bud Bostwick what looks to be in store for San Mateo County in the 90's.

POLIO PLUS: District 513 Polio Plus Chairman PDG Norm Lawrence conducted a training session for the area coordinators and others interested in Polio Plus fund raising at Santa Rosa this last Saturday. We are finally getting the horses in front of the cart, however, there are still many things to be done in order to properly mount our campaign. The one bit of information to come out of the Saturday session is the need for a personal financial commitment to the project by each Rotarian.

We have heard a great deal about Polio Plus but explanations of its origin and goals have been lacking.

Polio Plus was conceived as a project by our elected representatives to Rotary International and was approved by the RI Board and the Trustees of the Foundation. Originally it was to raise \$120 million and eradicate Polio from the world by the year 2005. This would require \$6 million per year of Foundation money and was considered "no big deal". When the project was presented to the World Health Organization, however, they suggested we do the project in five years and use the Rotary infrastructure to help them eradicate 5 other diseases; Diphtheria, Pertussis, Tetanus, Tuberculosis and measles at the same time. Rotary agreed and proceeded to move the time table up to five years.

In order to help achieve the \$120 million goal RI hired Community Counseling Service (CCS), a professional fund raising consultant. They advised that RI should raise the money, or at least receive the commitment, within two years, by June 1989.

The project has taken on a life of its own and has grown over the period of time since its inception. This accounts for the many changes and false starts which we have seen. Now with the CCS involvement the plans have been solidified. They propose a campaign within Rotary and have outlined the plan at Saturdays meeting. They then suggest community involvement outside Rotary which we have discussed at our General Meetings. The Rotary Club of RWC is on track and will soon begin our solicitation campaign with a community event hopefully to be planned for the late spring.

Our committee will soon be trained by our area coordinator DR. CHUCK EID. Once trained we will let you know how we will go forward with our Polio Plus commitment.

OCTOBER 13, 1987

PENINSULA COVENANT CHURCH

TODAY: October Program Chairman DICK DODGE says we'll be hearing from Bud Bostwick who'll be sharing his thoughts and the wealth of data he has on what looks to be ahead for San Mateo County into the 90's.

Our finemaster today is the good judge LYLE EDSON, whose fining ability goes without possibility of appeal.

LAST WEEK: With Pres. BILL at the podium, PDG SID led the chorus in the "Prelude to Play Ball". Past area rep. John Palladino of the Menlo Club led the pledge and Past Prexy Pete (the one without the tie) gave the invocation.

DR. LYLE RAUSCH came forth on short notice as finemaster but still managed to skin quite a few.

Three years ago our speaker JOE MARCHI, a member of the Canada College faculty told us about starting up a project and some studies about the American Musical. This time he returned to enthusiastically relate how that humble start has now grown into the "Center for the American Musical" at Canada College with a rapidly growing national and international reputation as evidenced by his and his Canada associates return from just having put on a show at the Smithsonian in D.C. celebrating a Sigmund Romberg centennial. The center now includes a growing archives section and Joe invites all to visit this unique activity at Canada.

NEWS & NOTES: PDG SID notes that Rick King, a speaker at our club on past occasions, has been nominated as an R.I. director for zone 7 which runs from our area to Alaska. SID was also a candidate but in these matters seniority in service tends to prevail. Another time maybe, would be nice.

Past Pres. PETE is helping spearhead a joint drive by our own club in concert with the Menlo and San Carlos clubs to initiate a South San Mateo County Breakfast Club. This project is intended to bring in, as new Rotarians, those who could not join Rotary because they could not regularly attend the noon meetings of the club which they might otherwise have joined. It's not the intention to stock the prospective new club with ex-patriots from existing clubs.

First meeting of the provisional club will be at Pete's harbor at 7:30 a.m. Thursday, October 29. Everyone is urged to give PETE the names of persons they know of who might be candidates for membership.

DENNIS DURKIN not only managed to man and get manned the club's Nachos booth at the Rec. Dept. 50th anniversary celebration but brought in some \$150.00 or so to the club's treasury. Good show! Give him a high five for a job well done.

November is Rotary Foundation month and a good time for all to take stock of the wonderful doings of this great activity and spread the word on the immense contributions to world understanding and peace made year after year by this great R.I. institution.

What's to be said? Well here are just some of the highlights:

- The Foundation sponsors some \$25 million annually in international educational and humanitarian programs.

- Since 1947, the Foundation has awarded more than 17,900 scholarships for study abroad. In 1987-88, some 1,400 Rotary scholars are studying in 65 countries.

- The foundation also provides up to 15 grants annually for university teachers to teach in developing countries.

- Under the Foundation's Group Study Exchange (GSE) Programs, begun in 1965, more than 13,500 young non-Rotarian business and professional persons have travelled abroad on intensive four to six-week group study tours.

NEXT WEEK: State Assemblyman BILL Duplisea will be sharing some of his thoughts on and experiences in this first term of his in Sacramento. Should be very interesting.

October is Vocational Service month and we are responding with plans to revitalize a program of vocational counseling. In 1972 the Rotary Club of Redwood City published a booklet of names and phone numbers of our members listed by their vocation and avocation. These books were distributed to the high schools in Redwood City. This is a simple way to serve our community by making some of our time available for counseling. The job can be done at our convenience and is far more efficient than a career day when time is limited.

November is Rotary Foundation Month. The ever popular Rick King (RI Board Nominee) will speak at the Burlingame Rotary Club on Thursday October 29 at their luncheon meeting at the Amfac Hotel in Burlingame. Those interested in attending should contact Burlingame Pres. Don Acton 349-0500 for a reservation. If you miss Rick at Burlingame he will be at Menlo Park on November 4. Rick is a great example of Service above Self.

Save the date of November 21 for the annual Foundation dinner. This year it will be at the Airport Marriott.

CHANGES: The date of the District Conference has been moved to May 5-8. This is a week earlier than previously announced. The place will remain the same, Konocti Harbor Inn at Clearlake. Redistrict Fait Accomplit (almost) PDG Sid Berlin has reported the work of his committee to consider the division of 513. There was little opposition to the proposal and the paper work necessary to effect the split will be sent to RI for Board action.

Population Explosion:

We have added Six new members since July 1. Remember, growth is our lifeblood. Keep your eyes open for qualified people to join us in the pleasure of serving. We now have a new option as for prospects with the advent of a Breakfast Club in our area.

WINDSOR ROTARY: Windsor Rotary Charter Night will be held November 7th. The gala affair will be held at the Sonoma County Airport.

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 20, 1987

PENINSULA COVENANT CHURCH

TODAY: Assemblyman Bill Duplissea of our 20th District will be giving us some insight on what it's like being a freshman legislator in the midst of all the maneuvering that goes on in Sacramento.

The finemaster chore will be picked up by ERNIE GLENN. We can bank on him to do a great job, but pray he holds the interest down.

LAST WEEK: Cowboy BILL brought in CHARLIE BULANTI to lead us in song. CHARLIE made a remark about using the third string and BILL retorted that the other song leaders were honoring the NFL picket line and staying "out of camp". San Mateo visitor and 513 Rotary Extension chairperson FRANK CRUPI led us in the pledge and recent Rotarian ESTHER GREEN gave the invocation.

GAYLORD SMITH of San Carlos Rotary offered to take any clothes we can collect to our Sister Club in La Paz for Distribution to the orphanage. DICK DODGE offered the back room at Vince's Office Supply as a collection place.

Old friend Bud Bostwick was introduced by October Program chairperson DICK DODGE. Bud is the director of the San Mateo County Development Assn. and is up to date on what is happening in our county. He spoke on what we can expect in the 90's in San Mateo County.

NEXT WEEK: October Program Chairman DICK DODGE says we will be listening to a debate on local proposition "R". Supporting that initiative will be STEVE KRAUSE representing THE FIREFIGHTERS ASSOCIATION. Representing the Opposition will be our own former Mayor, BILL STANGEL and Redwood City's Finance Director JIM IRIZARRY. Past Pres. PETE will act as moderator. KAY BELL will be ringing in as Finemaster for the 27th.

NEWS & NOTES: Another reminder from Past Pres. PETE that there will be a first meeting of a provisional (Rotary) Breakfast Club for South San Mateo County at 7:30 a.m. on Thursday October 29 at Pete's Harbor here at RC. This potential new club on the Peninsula is being jointly sponsored by the Rotary Club's of Menlo Park, San Carlos and of course our own Redwood City. Call Pete should you have questions and by all means, if you have any names to suggest for membership.

We have been reminding you of the need to help Past Pres. PETE in arranging for the entertainment and activity of our young friend from the La Paz Club. This reminds us from a recent quote from RI President Charles Keller "youth exchange is a solid foundation for peace. Once a young person has tasted the world outside his backyard he can never be the same again. He has discovered himself within the larger context and has discovered others as well. It is like turning a corner, or building a bridge... A connection has irrevocably been formed. That is the miracle of youth exchange".

Start rounding up clothing for La Paz. (See "Last Week" above) the need is for children from infants up to the size of adults. Even our own cast-offs are welcome if they are casual clothes such as a young person might wear. Take the clothes to Vince's Office Supply before October 30 for shipment to our sister club and disbursal to the orphanage. This is a great International Service opportunity with no cost to us, let's hop on it and take advantage.

Rick King has been nominated to the Board of Directors of RI from Zone 7 (that includes District 513). There will be two opportunities to hear Rick speak. His talk about Polio Plus is one of the best you'll ever hear. He will be at the Burlingame meeting on October 29 at the Amfac Hotel in Burlingame and he will be at the Menlo Park meeting on November 4.

Save the date November 21 is the date set for the Foundation Dinner in Burlingame.

PERSON OF GREAT SERVICE: Our own BOB RUTHERFORD was honored by San Mateo Rotarian Steve Perry for Bob's participation in the Boy Scouts of America's adult training program. Steve is the Scout Executive for the San Mateo County Council BSA. It seems Bob has been spending his weekends directing scouting's most prestigious training program "Wood Badge". Only a handful of Scout leaders are ever chosen to direct a Wood Badge course and bob just finished his second such session. All too often our members provide significant service to some segment of our community which goes unnoticed. This time the word got out and Bob was deservedly honored. Well done, Bob!

BOARD HIGHLIGHTS: The Board has voted to help our Interact Club at Canada by financing the enclosure of an office for the Canada inter-club activities. This will give Interact our great support and will provide us with a plaque of recognition for funding the project.

POLIO PLUS: A training session was held October 15 to show our P.P. committee what RI and its consultant Community Counseling Services (CCS) expects by way of member solicitation for P.P. A great deal is expected from us as Rotarians. Each of us will be contacted to make a pledge toward the campaign. P.D.G. SID and just Past Pres PETE have already made a personal commitment; it's time for the rest of us to do the same.

ATTENDANCE IS NECESSARY: The attendance committee and the Board of Directors wish to call attention to the following provision of Article X of the R.I. Constitution:

SECTION 5 - TERMINATION - NON-ATTENDANCE. The membership of any member other than an honorary member of this Club shall automatically terminate if without the consent of the Board for good and sufficient reason, he fails: a) to attend or make up four consecutive regular meetings, or b) to attend or make up at least 60% of the regular meetings in the first or second six months of the fiscal year, or c) to attend at least 30% of the regular meetings of the Club in the first or second months of the fiscal year.

OCTOBER 27, 1987

PENINSULA COVENANT CHURCH

TODAY: A debate on local Proposition "R". October Program Chairman DICK DODGE says that Steve Krause, representing the Firefighters Association, will be speaking in support of the initiative. Representing the opposition will be our own councilman and former mayor, BILL STANGEL and Redwood City Finance Director Jim Irizarry. Past Pres. PETE HUGHES will be acting as moderator.

KAY BELL will take his turn as finemaster. You'll have to wait and see what he's got dredged up against you, but there's little doubt you can expect a sand job of sorts.

LAST WEEK: Maybe it was just the aftermath of "Black Monday" at the market but whatever, Pres. BILL almost forgot the Pledge and even tried to eliminate "Smiles". But in the end reason prevailed as ALLEN GRUMAN led the song and BILL STANGEL the pledge with the invocation given by P.D.G. SID.

Rushing to get back to Sacramento by 3 o'clock, our speaker, Assemblyman and Rotarian Bill Duplisseea was given the floor by Pres. BILL while lunch munching was still going on. BILL STANGEL took care of the introduction.

Relating some of his experiences and reactions as a freshman legislator, Assemblyman Bill spoke in upbeat terms about the state of affairs in our great state of California. Noting that five years ago the present administration inherited a deficit of over a billion, Bill pointed with pride to an '87 budget of 43 billion vs. 20 billion in '79 and a budget turnaround to a reserve of over one billion. An interesting if partisan message. Sounds encouraging if that's the way it really is.

Club Treasurer ERNIE GLENN found a shortcut to his finemaster fundraising chore by granting a pardon to all those professing to have taken a beating in the previous day's market collapse and assessing all the rest for their good fortune in escaping the massacre.

It's official now. OSCAR is back. A pleasant task for Pres. BILL to once again induct as a new member our former fellow member OSCAR OROZCO, V.P. and Manager of the Well's Fargo Broadway-Main Branch. Nice to have him back in the fold. Welcome!

NEWS & NOTES: This year's Rotary Foundation dinner will take place on Saturday evening, November 21 at the Marriot in Burlingame. More details to come but now's the time to set that date aside on your calendar for this very important and always enjoyable event. Tickets will be \$60.00 with half going to the foundation and able to be counted towards a P.H. Fellowship by any of you P.H. sustaining members. Same for the \$10.00 raffle tickets also.

Rallying support for this great event, P.D.G. SID revealed some disturbing numbers. On a high note, Foundation contributions during the first three months of this Rotary year have increased some 32%. Great, you say - yes, but there's a down side to it. In the same period undesignated gifts (three that apply to the Foundation's basic programs such as scholarships, exchanges, etc.) have declined 59%.

What this emphasizes is the ongoing need to provide support for the Polio Plus campaign from other sources without detracting from the usual resources need to support the foundation. November is Rotary Foundation Month, see below.

NEXT WEEK: Dr. PAUL YOUNG is our Program Chairman for november and according to PAUL next week's program will be "Sheriff" (Yo inna heap a trouble, boy) JOE HIGGINS. JOE, a long time friend of Jim Burney, has come to Redwood City to put the newly revamped Circle Star Center on the map as a first class dining and entertainment facility. He will tell us about the future of our community as affected by the Circle Star.

Your finemaster next week will be new member and newlywed BETH BERLIN. BETH, by the way, is the one who keeps track of who's been fined. So if you're not on your way to becoming a bleeding heart perhaps she can help find an itinerary for you.

TIME TO LEARN MORE ABOUT ROTARY: We attend club meetings, serve on committees, and make the most generous contributions we can. And that is all very important. But how much do we really know about this organization to which we belong?

R.I. President Charles C. Keller believes we all need to learn more. January has been designated as Rotary Awareness Month -- a time to learn about Rotary -- its traditions, philosophy, structure, and the Object of Rotary.

We can begin by reading the many publications offered about Rotary, especially the Rotary Basic Library (920-EN), the boxed seven-volume set that has been described as "the best source of Rotary in print." Let's not allow another day to pass without learning more about the world of Rotary--a world in which we are an integral part.

EVERYBODY OR NOBODY: International Service begins with Rotarians adopting a world view grounded in the realization that human beings truly are dependent on each other's survival, that each man's community is part of a world neighborhood, that all wars are civil wars because all men are brothers. Never has the need shown itself with greater clarity than in the nuclear age. As the late U.S. philosopher-scientist R. Buckminster Fuller put it: "We are going to have to find ways of organizing ourselves cooperatively, sanely, scientifically . . . with the rest of humanity . . . It has to be everybody or nobody."

ARE WE READY FOR FOUNDATION MONTH? November is Rotary Foundation Month and we are asked to voluntarily consider a contribution to the Rotary International Foundation to support Rotary International scholarships and projects. The objective of the Rotary Foundation of Rotary International is the achievement of world understanding and peace through international charitable and educational programs. Rotary's Foundation was begun in 1917 by Arch Klumph, 6th International Pres. of Rotary, who convinced a Rotary convention of the need for an endowment for "doing good in the world" in charitable, educational or other avenues of service.

In addition to eliminating polio from the world, The Rotary Foundation now funds each year: 1) Approximately 1,000 scholarships for graduate, undergraduate, vocational and journalism scholars, and teachers of the handicapped; 2) Some 150 group Study Exchanges; 3) More than 70 international humanitarian projects through Special Grants and Health, Hunger, and Humanity Grants; and 4) Approximately 10 grants for University Teachers, to teach in nations other than their own, especially in developing countries.

NOVEMBER 3, 1987

PENINSULA COVENANT CHURCH

TODAY: Joe Higgins, that one time TV Sheriff from deep in Dixie and long time friend of Jim Burney is going to tell us all about Jim's newly revamped Circle Star Center. Joe's involved now in putting this new "Star" back in orbit as a prime Peninsula dining and entertainment center.

Our finemaster today is BETH BERLIN FISHBACK. BETH probably has some short trips planned for you - like from your hand to your wallet to collector RICH PELLIZARI.

LAST WEEK: There's been no shortage of visiting Rotarians and guests for Pres. BILL to introduce. A good time to remind all to be sure you take the time to meet our many visitors each week and make sure they feel welcome.

PDG SID took good care of the vocal caelesthenics with TOM DELFS handling the pledge and CHARLES NORRIS the invocation.

MERLE FRUEHLING introduced our two attractive young student guests from Woodside High, Charissa Gant and Student Body President Rowena Mallari.

KAY BELL took his turn as finemaster - and how could you ever get mad at that grin. With that market mess going on out there it's surprising there weren't just a mass of I.O.U.'s. To add to the pot, KAY contributed a genuine phony Rolex which Pres. BILL deftly auctioned off. And who else but Past Pres. PETE picked it up for a final bid of \$27.00.

And speaking of our Past Prexy, PETE additionally stepped forward to serve as moderator of the days' programmed debate on Proposition "R". Participants in the match-up were: for the Firefighters' Association speaking in behalf of the initiative, Fire Captain Steve Krause and their labor representative Mittendorf; and for the opposition, our own member, councilman and former mayor, BILL STANGEL and R.C. Human Resources Director, Jim Irizzary.

It was a lively session indeed but we'll wait for the final voting to determine a winner albiet it's pretty clear who's for and who's against this particular issue.

NEWS & NOTES: A reminder from DON HACK to any of you who have yet to get your picture "took" for the new club directory. It's up to each of you to promptly call and make an appointment with the Picture People to get that picture taken. They're on Broadway in the 2600 block off El Camino. There's no charge and you've got no excuses so get to it and pronto!

BILL BERGLER notes that plans are underway for a skiing weekend in late February or March at Whistler's - a famous run in British Columbia outside of Vancouver. From

a show of hands there looked to be lots of interest. If you're interested get in touch with BILL.

Pres. BILL says that Rick King, Rotarian and R.I. director nominee for Zone 7, will be speaking at the Menlo Club tomorrow. Any of you who have not heard this outstanding Rotarian should really make an effort to join that meeting. You won't regret it.

On the local scene, if you haven't seen STEVE SAN FILIPPO's new Porsche, be sure to take a look. Way to go! And speaking of "way to go", congrats to JON RICH whose company has just recently completed a major acquisition adding lots of new dimensions to his fine business.

NEXT WEEK: November Program Chairman DR. PAUL YOUNG says we'll be hearing from Jane Huang on what's being done with the dollars our Club contributed to assist in the problems confronted those senior citizens so sorely hurt by the Casa de Redwood fire.

DICK DODGE will be our finemaster on the 10th after which you too may be looking for some assistance.

Then on the 17th you'll be hearing from Louis Berlin (yes, the name is familiar), Foster City Rotarian and a Vice President of Bache-Prudential on the subject of "Securities - Some Questions". A timely subject but perhaps a better title might be "Securities and Insecurities".

Finemaster for that session will be DR. BOB BROWN. A charter member, DR. BOB has learned a thing or two about making this kind of delivery.

FOUNDATION-POLIO PLUS The time has come for us to get serious about our commitment to the Rotary Foundation and to Polio Plus. The annual dinner to support the Rotary Foundation Month of November is scheduled for Saturday November 21, at the Marriott at the Airport. MARIO ERCOLINI is the chairman for this event and will be contacting you about supporting the Foundation through participation at this worthwhile benefit.

At the same time Rotary International has urged us to make a solicitation of our members for the Polio Plus campaign. JON RICH has the task of chairing the solicitation. This is a great opportunity for all of us as Rotarians to make our commitment to both the Foundation's undesignated account and to designate a portion of our support for Polio Plus. At the time we make this serious statement of support of our roles as Rotarians we can avail ourselves of the chance to obtain raffle tickets and, perhaps, to win a prize.

We should each inventory our position relative to the Foundation and move to the next plateau. We should all commit to a Paul Harris Fellowship, first for ourselves and then for a loved one. If we are already a PHF we should, at a minimum, commit to making a loved one a PHF.

In any event please carefully consider the need and the commitment we have made as Rotarians and make a positive response to the fund raising campaign.

NOVEMBER 10, 1987

PENINSULA COVENANT CHURCH

TODAY: Jane Huang will tell us about the rehabilitation program underway at the Casa De Redwood Senior Retirement Center. Since the devastating fire that took place several months ago, the complex still has not had all of its units refurbished. Casa De Redwood has been one of the most outstanding Senior's projects in Northern California and was a pioneer in the concept of Senior care while maintaining the dignity of the residents who live in their own apartments. The Redwood City Rotary Club has responded well to the tragedy of the fire by donating \$2,000 towards the clean-up and rehabilitation of the facility. Ms. Huang will report to us how the money has been spent and what the needs for the future will be.

Finemaster today will be DICK DODGE. Dick knows how to hit stationary targets, so get your wallets out before we start.

LAST WEEK: Joe Higgins gave us an interesting report of the newly refurbished Circle Star Center. Joe told us how local businessman Jim Burney purchased the facility and spent nearly 2 million dollars refurbishing the theatre into an entertainment complex re-named Circle Star Center. The center will be providing an array of entertainment possibilities to the residents of the mid-peninsula as well as gourmet dining. Joe also told us about the meeting capabilities of the Circle Star Center and how clubs like the Rotary Club of Redwood City could benefit from its use.

Joe Higgins, better known as the Sheriff in the Dodge ads of a few years back, indicated that if he can keep the Circle Star filled with interesting entertainment and people to watch that he might become a permanent resident of the area as its general manager and promoter. Joe is a Rotarian from the Hollywood Rotary Club.

PDG SID took care of the singing with new member LLOYD LEWIS leading the pledge and HOWARD BAKER providing the invocation.

MERLE FRUELING again introduced us to our student guests from Woodside High School Charissa Gant and Student Body President Rowena Mallari.

BETH BERLIN FISHBACK took care of the fining in "SUPER FINE" fashion. Some of the old timers could take lessons on how to extract cash the "Bethian" way. Beth finally acknowledged STEVE SAN FILIPPO's new porsche with a \$20.00 mega fine.

Cowboy BILL was without his six-shooter and without his gavel. For those who noticed, he was using one of those small metal gavels given by PETE HUGHES to his outgoing board last year.

NEXT WEEK: Louis "Son of Sid" Berlin will be our guest speaker. Louis is a Vice President at Prudential-Bache and is presently a Rotarian in Foster City. He will be speaking on Securities.

Finemaster will be BOB BROWN. Charter member BOB will teach us all how to bear our cash and deliver it to the Cooffers in a painless natural way.

NEWS & NOTES: A reminder from DON HACK that there is one last chance to get your pictures taken for the club roster if you have not already done so. The place to go is the "Picture People" on Broadway between El Camino and the Railroad tracks. There is no charge for the pictures and no appointment is required. Just drop in as you can and have your picture taken.

FOUNDATION DINNER: Time is running short to acquire tickets for the Foundation dinner to be held Saturday November 21 at the Marriott Airport. PDG SID promised that the entertainment would be outstanding with a group of hearing impaired children singing. Cowboy BILL promised to have a cocktail party before the dinner for RWC Rotarians and their guest. All in all it will be an outstanding evening and will take the place of a normally scheduled Stanford tailgate party. All this gives us great reason to get behind this marvelous effort and have a fantastic showing of Redwood City Rotarians at the foundation dinner.

BOARD MEETING: The Board of Directors will meet tomorrow at 7:30 a.m. at Pete's Harbor. All are welcome. New members are encouraged to attend. Legislation like sausage should never be seen in its making lest we lose appetite for it in its consumption, however, our board does make the club go forward and all are invited.

THE GOLDEN HINDE, a replica of the ship that took Sir Francis Drake around the world will be visiting the Port of Redwood City for the holiday season. There will be a welcoming celebration at the port commencing at 1:00 Wednesday the 25th of November. This is being coordinated by the Peninsula Celebration Association. If you care to attend, bring balloons, kites, toots and whistles. Call PCA at 366-0679 for details.

POLIO PLUS: Each of us will be asked to make our commitment P.P. within the next two weeks. Please be receptive to your fellow Rotarian that will be asking for your pledge. We all have hundreds of organizations and institutions asking for our charitable dollars, each with a sound appeal. We must sort these appeals out and pick those which are most important. Polio Plus is important! It is important because it saves the lives of little children and because it is OUR organization ROTARY, that is going to make it happen.

PENINSULA COVENANT CHURCH

TODAY: Our speaker is Louis Berlin, a Foster City Rotarian and Vice President of Prudential-Bache. He'll be talking about "Securities", a subject that these days seems to conjure up a sort of reverse image, like insecurity. Takes a brave man to take on a subject like this - all in the family we guess.

Dr. BOB BROWN will be taking his turn as finemaster and contrary to most impressions, you'll find that charger member BOB is still delivering and when he does the yelps will still be heard.

LAST WEEK: Pres. BILL called on DR. ALLEN GRUMAN to lead the song and true to fashion he had us tuning up for Veterans Day with a bit of "Glory, Glory" et al. LYLE EDSON led the pledge - something de judges seem to have to do these days - with DR. GEORGE CHAFFEY taking care of the invocation.

And capping the introduction of visitors, Pres. BILL gave due recognition to one of the best visits of all - a welcome back to MIKE KREISS. And didn't he look just great! Completing the introductions, MERLE FRUEHLING once again introduced one of our fine outstanding young student guests from Woodside High, Odile Madden.

Finemaster DICK DODGE raked in the green stuff like falling autumn leaves. Included in the haul, a \$50.00 fine - or gift we should say - from DON HACK in celebration of a birthday of the same number. There were some other big givers too, like STEVE SAN FILIPPO who's finding that owning a Porsche is a gas and BILL BERGLER for pushing his layaway plans. What a low blow!

And speaking of gifts, wasn't that a generous gesture on the part of visiting Rotarian STEVE PERRY who, on winning the day's raffle prize of \$28, turned right around and donated it all to R.C. Rotary's Polio Plus campaign.

Speaker for the day, the Rev. Jane Huang, Associate Pastor of R.C.'s First Congregational Church traced the origin and development of the Casa de Redwood senior citizens housing complex which was struck by such a tragic fire this past March.

Originally opened in December of 1972, it now appears that all six floors of the facility will finally be re-opened for occupancy by December of this year. Rev. Huang noted that R.C. Rotary's \$2,000 contribution towards relief for victims of this tragic fire was combined with other like fund

contributions and has been and still is being allocated to affected residents as they return to their apartments and struggle to put their lives back in order.

NEWS & NOTES: A date to remember for sure. This year's Christmas Party will be held on Tuesday evening, December 15 we will have the great good fortune of using the lovely Atherton home of Dr. TOM POORE.

A reminder once again from DON HELBUSH that we'll be having our regular semi-annual blood drive on November 27 at Kaiser Hospital on Veterans Blvd. from 10:30 a.m. to 5:30 p.m. DON also reminds that the mobile unit is also at Sequoia Hospital every Tuesday morning - a convenient time to drop in prior to our regular weekly luncheon. The need is urgent and giving is, of course, completely safe.

This Saturday is, of course, the Foundation Dinner at the Airport Marriott. COWBOY BILL says our club will have a hospitality room for cocktails prior to the dinner for R.C. Rotarians and their guests - as if you didn't already have incentive enough to attend. And if for some reason you can't attend, don't forget to pick up some raffle tickets from STEVE MIKULIC. 100% of each \$10.00 ticket goes to the foundation, can be counted towards your P. H. Fellowship goal and, of course, puts you in line for some great prizes.

The Golden Hinde, a replica of the ship that took Sir Francis Drake around the world, will be arriving at the Port of R.C. the day before Thanksgiving. If you can join in welcoming its arrival, please do so. Call the Peninsula Celebration Association for details at 366-0679. And better still, if you can open your home to one or more of the young British crewmembers for Thanksgiving dinner, please contact PETE HUGHES who'll make the necessary arrangements.

The provisional mid-peninsula Rotary Breakfast Club will have had its third meeting. Membership recommendations are still needed and here again, Past Pres. PETE is the one to contact. The new breakfast club will meet this Thursday at 07:30 at Pete's Harbor. Thereafter it will meet on Tuesdays commencing December 1 at 07:30 at Pete's Harbor.

The Rotary Club of Redwood Shores is changing its location to Clark's by the Bay" effective December 3. This is the new restaurant at Seaport Village (near Charlie Brown's and the Sequoia Y.C.).

NEXT WEEK: Your finemaster on the 24th is expected to be Past Pres. BOB DOOLEY who, no doubt, has some plans for your finances.

R.I. INFORMATION: R.I. Pres Chuck Keller is asking all Rotary Clubs to submit their ideas on Rotary programs, activities, and directions to a new Rotary Idea Bank. Each club is to submit its thoughts to a District Committee to sift through and pass on to R.I. Pres. CHUCK is moving along to bring out the best in Rotary so we may better be "Rotarians -- United in Service - Dedicated to Peace".

PENINSULA COVENANT CHURCH

TODAY: Our speaker is Dr. Paul Stenger, a Psychologist from Canada College. Dr. Stenger's talk is entitled "Freud to Skinner to Stenger", giving us an overview of modern day psychology.

Our finemaster for the day is Past Pres. BOB DOOLEY, who has plans for your finances.

LAST WEEK: Rotarian Louis "Son of Sid" Berlin presented a program entitled All you need to know about the Stock Market. In essence he said you don't need to buy at the low nor sell at the high in order to make money in the market. As to the recent "adjustment" Louis said that a well disciplined investor reading the signs of the market would probably have been out of the market long before the disaster hit. Louis gave a well presented talk and it is evident that he is quite knowledgeable about the market and its working. Unfortunately, he is no better in delivery of jokes than his illustrious father.

SID "Father of Louis" BERLIN led us in song; new member TOM DELFS led the pledge; and Past Pres. BOB DURKIN gave the invocation.

Finemaster was past president and charter member BOB BROWN who made another flawless delivery. A couple of his finee's tried to give him trouble in the breach, however he turned them around and delivered the cash in painless fashion.

Cowboy BILL had the honor of inducting her honor Judge Margaret Kemp into the club. MARGARET's sponsor, PDG SID, introduced her to the membership and presented her with her Rotary pin.

CHALLENGE, CHALLENGE, CHALLENGE! Attendance Secretary ALAN BOSTWICK reports that our attendance is running at approximately 85%, a rather so-so figure for the best club in district 513. Upon hearing this Cowboy BILL stated ""I'd give \$100 to polio plus if we could have one 100% day"". Several members within earshot heard BILL's lament and said "DONE"! So, the challenge is joined! BILL picked the date of our Christmas Party, December 15 as 100% attendance day. Every RC Rotarian should be present for the Christmas Party or otherwise have a valid make-up for that meeting. If we hit 100% BILL will have to pay \$100 to Polio Plus, that's the good news. The bad news is: Those who don't come to the Christmas Party (or have a valid make-up) will be fined \$20.00!!!

Cowboy BILL doesn't think we can make a 100% day --- let's prove him wrong and lighten his wallet!

NEWS & NOTES: The annual Christmas Party will be Tuesday December 15, cocktails at 6:30, dinner at 7:30. The location will be the lovely home of Dr. TOM POORE in

Atherton. Chairman ROY FRANK has negotiated the fantastic price of \$37.50 per couple which includes cocktails and dinner with wine.

Mark your calendars for December 6, for our annual Football Tailgate Party. This year, due to conflict with the Foundation Dinner, we will forego a Tailgate at Stanford University and will instead Tailgate at the home of President BILL and his lovely wife BARBARA in Woodside Hills. The idea is to have a fellowship gathering with Potluck Brunch and watch the 49ers play an away game at Green Bay on television sets spread throughout the house. KAY BELL is the Chairman of the event and will be soliciting sign ups and assignments for the Potluck.

A reminder once again from DON HELBUSH that we'll be having our regular semi-annual blood drive on November 27 at Kaiser Hospital on Veterans Blvd. from 10:30 a.m. to 5:30 p.m. DON also reminds that the mobile unit is also at Sequoia Hospital every Tuesday morning - a convenient time to drop in prior to our regular weekly luncheon. The need is urgent and giving is, of course, completely safe.

The Golden Hinde, a replica of the ship that took Sir Francis Drake around the world, will be arriving at the Port of R.C. the day before Thanksgiving. If you can join in welcoming its arrival, please do so. Call the Peninsula Celebration Association for details at 366-0679. And better still, if you can open your home to one or more of the young British crewmembers for Thanksgiving dinner, please contact PETE HUGHES who'll make the necessary arrangements.

The Foundation Dinner held at the Airport Marriott this last Saturday was a huge success. Rotarians from as far north as Ukiah were in attendance. Chairman STEVE MIKULIC did an excellent job of providing adequate representation of Redwood City at the Dinner. Cowboy BILL set up a hospitality room prior to the dinner which was a smashing success and a credit to R.C. Rotary.

POLIO PLUS - POLIO PLUS - POLIO PLUS: Commitments to Polio Plus are being solicited from all members of the club. If you have not yet been solicited you will be soon. Please give serious consideration to a substantial commitment to save the lives of the children.

NEXT WEEK: The finemaster will be DAVE SCHRICKER having lived through the days of prop. 13 i'm sure Dave will teach you how to trim your budget and he will put your cash to good use.

Our speaker will be Tim Scully, a specialist in Crime Prevention. He will be speaking about the ongoing Crim Prevention Program.

PENINSULA COVENANT CHURCH

TODAY: Our speaker is Tim Scully, a special crime prevention agent who will give you an overview of and some insight into the communities Crime Prevention Program.

DAVE SCHRICKER is scheduled to be your finemaster, but unfortunately that doesn't fall within the scope of the Crime Prevention Program. 'Fraid you're on your own for this one.

LAST WEEK: President BILL called on PDG SID to lead the song, new member Judge MARGARET KEMP the pledge and Past Prexy Mgrs. PETE the invocation.

Visiting Rotarians to be introduced were in such abundance that we're reminded once again of last weeks word from Attendance Sec'y ALAN BOSTWICK that club attendance is hovering in the 85% range - hardly a worthy showing for a Districts' No. 1 club.

Past Pres. BOB DOOLEY took his turn as finemaster and if you listened to him you realized that maybe there is a downside to financial planning - not a winner in the bunch. But then, that's the way he planned it.

FRANK PARCELL won the door prize and then turned right around and donated the whole thing to the Salvation Army. A good reminder that bell ringing time is just about upon us.

Dr. PAUL YOUNG introduced our speaker, Dr. Paul Stegner, a Psychologist and member of the faculty at Canada College. Dr. Stegner discussed the views and contributions of Freud and Skinner and then set forth some of his own in this complex field of the mind's workings. How to sum it up? Our view goes something like this "if you're not confused, you don't understand the situation".

NEWS & NOTES: Just two weeks away now - can you believe it - the Club's Annual Christmas party to be held Tuesday evening the 15th at Dr. TOM POORE's gracious home in Atherton. Past Pres. ROY FRANK says it will be cocktails at 6:30 with dinner at 7:30 and with cocktails, dinner and wine all included in the \$37.50 per couple tab. And a wonderful time it should be indeed!

And don't forget, Cowboy BILL has thrown down the gauntlet. Make it a 100% attendance affair (make-ups count) and he coughs up \$100.00 to Polio Plus. Miss it or a make-up and you'll be coughing up \$20.00 in fines.

Next Sunday, December 6 will be a Pot Luck Brunch at Pres. BILL and BARBARA's home in Woodside Hills to watch the 49er/Green Bay Game on T.V. KAY BELL is chairing

this special event and will be soliciting sign ups and pot luck assignments. Should be lots of fun so be sure to let KAY know if you'll be joining the party.

Don't forget to be prepared for a call on your making a special commitment to the Polio Plus fund drive. Remind yourself of the incredible good this great campaign is doing and you won't have any trouble setting priorities even as we approach this season of giving.

NEXT WEEK: Don Leary, a court liaison officer, will be speaking about our court system.

JODY SMITH will step to the podium to do the fining and being a card member won't help a bit. No emergency service this time albiet quite a few will probably be taken in two.

Remember that the Xmas Party on the 15th is the regular meeting for that day so plan any make-ups accordingly.

Then on the 22nd DAVE SCHUTZ says we'll be enjoying a program of fine Christmas music featuring two talented young ladies who have won the Otis Carrington Music Scholarships at Sequoia the past two years, soprano Gina Argenti and alto Shannon Walker. A nice way to step into the holidays so mark your calendar.

DID YOU KNOW that former Federal Reserve Chairman Paul Volcker was a Rotary Foundation Scholar, having studied at the London School of Economics under that program in 1951-52.

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying by each Rotarian of his or her occupation as an opportunity to serve society;

THIRD: The application of the ideal of service by every Rotarian to his or her personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men and women united in the ideal of service.

COWBOY BILL'S CORNER

I have accepted the 100% attendance challenge. If all of the non-excused members attend the Christmas party meeting or have a valid make-up I will donate \$100.00 to Polio Plus. However, if anyone misses the fine will be \$20.00. One way or another we'll raise some cash. I hope we hit the 100% we need to bring our attendance percentage up to meet our goal of 90%.

There have been far too many "duck outs". I will ask the board to consider some form of monatary contribution for early leaving.

Now is the time to plan for the upcoming International Conference in Philadelphia May 21-25, 1988. I hope to be a part of Pres. Elect Bob's retinue and would like to see a good representation from RWC.

I have the applications; if you have an interest let me know. The International Conference is a tremendous opportunity to see Rotary at its finest and everyone should attend.

PENINSULA COVENANT CHURCH

TODAY: Sir Francis never had this kind of agent to talk to the natives. Not so with our 20th century replica of the Golden Hinde. Jilly Francis, crewmember and spokesperson for that marvelous ship now berthed at the Port of Redwood City is going to share with us some of the background and experiences encountered by this near perfect image of Drake's famous flagship.

Finemaster JUDY SMITH may not take you in tow but she may well take you in tow as she steps to the podium to help restore some of Treasurer ERNIE's depleted reserves.

LAST WEEK: Pres. BILL called on Messrs. STANGEL and WOOLEY for the pledge and invocation and some stranger in suit and tie impersonating BOB PIERCE to lead the song. At least it seemed like a stranger until that tired arm started waving at the chorus.

Then for the first time under the Club's revised by-laws, Pres. BILL presented to the Club the Nominating Committee's recommendations for officers to be elected as Pres. Elect-Elect for '89-90 and Secretary and Treasurer for '88-89. Leaving out the remaining mechanics, a unanimous ballot was ultimately passed to fill those positions as follows: Pres. Elect-Elect BOB STIFF, Club Secretary AL LAOS Jr. and Club Treasurer ERNIE GLENN. Hear, hear! Congratulations and condolences are in order.

Finemaster DAVE SCHRICKER stripped five dollar bills from those present with reckless abandon and even stripped the shirt off the back of one ROBERT PIERCE. Sure was good to see good ole BOB again.

Past. Pres. ROY FRANK introduced our speaker, RCPD Community Service Officer Tim Scully. Retired-but not looking it - after 38 years with Ma Bell Mr. Scully now spends much of his time handling the RCPD's Crime Prevention Program, or perhaps we should say Programs for many they are. Tim gave a complete overview of all those many activities and a sound impression that they are indeed working very well.

NEWS & NOTES: The COGS Meeting scheduled for this Wednesday - tomorrow morning, that is, has been rescheduled to January. A case of conflict with the Club's Board Meeting scheduled for the same time which is 7:30 a.m. at Pete's Harbor.

Some recognitions - to OSCAR OROZCO for his contributions to Friends for Youth, a group which matches adults with troubled children. In case you haven't heard, OSCAR, as a finalist for the 1987 Wells Fargo President's Award for Social Services, received a check for \$2,500.00 for the youth group from WFB President Paul Hazen.

... and to KAY BELL who we understand helped guide the Golden Hinde to a safe berthing at the Port of R.C.

NEXT WEEK: Remember that our regular meeting on the 15th is the CHRISTMAS PARTY to be held at Dr. TOM POORE's Atherton Home at 97 Isabella. How to get there? Isabella is 3 blocks south of the traffic light at Atherton and El Camino. Turn right (going south on El Camino) on to Isabella and proceed to #97 which will be on your left. There are no cross streets along the way but it's about the equivalent of 3 or 4 blocks - less than a quarter mile.

Remember, too, that Cowboy BILL has asked us all to make this 100% attendance meeting so if you can't make the party, be sure to make up. If you do, Pres. BILL has pledged a \$100.00 donation to Polio Plus. If you don't, be prepared for a \$20.00 fine, got the picture?

DISTRICT DOINGS: With the status of the amoeba like division of District 513 still unknown (RI will not act until early 1988), the committee to nominate a new district governor(s) has decided to put off any decisions until RI makes its decision. The rationale for this is based on the possibility of needing two DGs, one north and one south. If such an event occurs there would be two new nominating committees made up of the PDGs of each of the new districts. All of this sounds logical --- congrats to those who figured it out.

TAILGATE PARTY - A SMASHING SUCCESS! For those who braved the hour, 9:30; and the storm, 50K winds; our 49er away game TV-Tailgate brunch was a smashing success. Cowboy Bill and "patience personified" Barbara opened their home to RWC Rotary for a fellowship gathering. With Rotary and 49 fanism in common how could we not have a great morning of fellowship. Roy Frank's fellowship committee with event chairperson KAY BELL firmly in charge swooped into B&B's home, set up the brunch, monitored the game and the abundance of food, then left without even a trace of having been there. A job well done, ROY & KAY!

COWBOY BILL'S CORNER: Polio Plus has taken several turns in its road to success. Originally we were told to raise our funds from the community. Recently, however, the turn has been to obtain as great a commitment from Rotarians as possible. In response to this we are asking you members to make your commitment NOW.

The following are thoughts from RI President Chuck Keller: **WHY ROTARY?** With the vaccine in existence, the needs identified, and the means at our disposal, it would be simply unconscionable for Rotarians to ignore the brutal toll of polio. No one can do it better. Over one million members in 161 countries ... we are the best equipped to raise the money, to deliver the serum, and to raise the consciousness of the world. **ABOUT THE PLAN:** One, the appeal to and answering commitment by each individual Rotarian. We begin with it, we cannot ignore it, or hide behind a joint Club effort, or a community drive. The entire plan requires us as Rotarians to make the first commitment. Two, proportionate giving, not all Rotarians can or should be asked to give the same amount. The plan requires that each one of us attempt to give generously according to our means. Three, pledging, to make our gifts over a period of time.

HAPPY HANUKKAH

FELIZ NAVIDAD

TODAY: To celebrate this happy holiday season we are going to be hearing from two very talented young ladies from Sequoia High School - soprano Gina Argenti and alto Shannon Walker. Both Gina and Shannon have won the Otis Carrington music scholarships for the past two years. Hark to the sounds of Christmas!

Our list of finemasters has run dry - could it be that STEVE SAN FILIPPO who was originally scheduled for last week is still due up? Whomever - t'is still the season for giving.

LAST WEEK: The Christmas Party! And wasn't that a nice way to celebrate this wonderful holiday season. Good food, lots of grape juice and in the nicest of settings - DR. TOM POORE's gracious home in Atherton. What a grand way to enjoy the warm and wonderful feelings of this very happy time of the year. A big thanks to Past Proxy ROY FRANK and all those who worked so hard on this special, special event. Well done lads and thank you again DR. TOM.

In addition to being a great party, it was also a regular meeting - the shortest, we believe, that Cowboy BILL has ever rung in and rung out. And that's just about how short it was.

It was also DAVE BENNETT's birthday but who made that big beautiful cake? Chef MARIO RADDAVERA certainly took care - and good care - of everything else.

AND THE WEEK BEFORE: All the usual. Pres. BILL at the podium; BULANTI misleading the chorus; Burlingame's Rotary President DON ACTON giving the pledge and DR. PAUL YOUNG the invocation.

Jilly Francis, Crewmember and spokesperson for the Golden Hinde was our speaker and a far cry from the likes of what Sir Francis had to make good with the natives.

Our finemaster back on the 8th was JUDY SMITH and you'd better believe that Judy has learned fast about these things - real fast.

MARKS AND REMARKS: A high mark. BILL BULANTI won the raffle and turned it right over to Polio Plus.

As the old year winds down it's a good time to start making some important notes in your '88 calendar and we can't think of a better one than the first Saturday in March - and that would be March 5.

Why? 'cause that's the date of the club's big auction and that affair both deserves and needs a big helping hand from everyone. This is the one case where you can't get going too soon.

Past Pres. PETE HUGHES still needs your help in suggesting the names of prospective members for the provisional South Peninsula Rotary Breakfast club which now meets, we understand on Tuesday mornings at 7:30 at Pete's Harbor.

Have you read the Annual Report of the Rotary Foundation in the December issue of The Rotarian. Be sure you do. These many foundation facts are things we should all be prepared to tell to friends, neighbors and business and professional associates whose goodwill and perhaps even help we can one day earn for the many fine causes and goals of Rotary.

COWBOY BILL'S CORNER:

"BUT you were always a good man of business, Jacob," faltered Scrooge, who now began to apply this to himself.

"Business!" cried the Ghost, wringing its hands again. "Mankind was my business; charity, mercy, forbearance, and benevolence were, all, my business. The dealings of my trade were but a drop of water in the comprehensive ocean of my business!"

—CHARLES DICKENS, *A Christmas Carol*

This quotation from Dickens sums up what our "business" is all about... it is not just our trade. This is something to keep in mind over the holiday season and into next year.

Perhaps after his Christmas Eve experience Scrooge might have become a Rotarian. We need to find others in our community to take up the business of service. Let's plan on February as "Round Up" Month. Mario Ercolini wants to have over 106 Rotarians in our club by the end of the year. Achieving this will require an effort by the entire club. Start now thinking Round Up. Let's find those good people who understand Dicken's concept of business.

DECEMBER 29, 1987

PENINSULA COVENANT CHURCH

Here's hoping you all had a very happy Christmas and will enjoy a happy, safe, prosperous, rewarding and useful New Year. And don't forget to take a look back and try to sharpen your vision of what may lie ahead. It's also a good time to take stock of and give thanks for all the good things that have happened for without them we would be ill prepared to face and manage the inevitable problems we all confront in one way and at one time or another.

A VERY HAPPY NEW YEAR FROM EACH OF US TO ALL OF US!

TODAY: December Program Chairman HOWIE BAKER says we'll be finishing up our series on crime prevention with a presentation by Gerry Doherty, coordinator for the RCPD who handles Drug Abuse and Education Programs for school children and young adults.

Your finemaster will be GEORGE SZPOTEK.

LAST WEEK: No question 'bout who's in charge as the "cowboy" came fitted out as either Smokey The Bear or a Marine drill Sargeant. But then, not even the latter could possibly outsound PDG SID as he led the chorus in a "White Christmas". Thanks to DICK HENSON for leading the pledge and STEVE MIKULIC for the invocation.

How about all those candy canes and carols from JOHN WOOLEY's wee tribe from the "Y". Wasn't that a nice addition to the holiday greetings.

Some special greetings, too, from finemaster and Pres. Elect BOB who solicited some hefty contributions for all the nice things that happened last year to so many of those present.

But, the nicest part of the day was yet to come as DAVE SCHUTZ introduced four talented young ladies representing the treble cleft program at Sequoia H.S.

Soprano Gina Argenti and alto Shannon Walker, two former winners of the Otis Carrington music scholarships at Sequoia (Gina now a sophomore at San Jose State and Shannon in her first year at Canada) were joined by Deanna Kershaw and accompanist Amy Kingston in presenting a lovely array of Christmas carols. A very fine performance indeed and well worthy of the legacy left by Sequoia's Otis Carrington who served that institution with such distinction from 1907 to 1952.

BITS AND PIECES: MERLE FRUEHLING won the raffle and immediately denoted his winnings

to the school rebate fund. He hopes you'll do the same with your check from the state.

An array of club flags from the orient from DENNIS D. following a trip by DENNIS and his wife, PDG SID and R.W. Shores Rotarians ELAINE and DEAN WHITE.

Pres. BILL pointed with pride to the new badge received by your club from the Rotary Foundation showing a participation rate of 7500%. WOW! What a change from so short a time ago. Congratulate yourselves, think of all the good it means and keep up the good work.

And that's a good time to remind you of the auction coming up March 5. Chairman LYLE RAUSCH reminds you to consider the possibility that it might be tax-wise to make a contribution yet this year.

Did you read Pres. BILL's remarks in last week's SPOKE about the February (membership) Round-Up planned by MARIO ERCOLINI? Well, remind yourself that it does take time and that now is the time to get those new member proposals started in process. And remember too, there are a lot of folks out there who are not only qualified but who are also eager for the chance to become Rotarians, All that's needed is just to make the connection.

NEXT WEEK: PETE HODGSON takes over as Program Chairman for January as says our first speaker of the new year will be Walter Bok, consultant and author specializing in leadership and marketing. A much sought after speaker, Mr. Bok's topic will be "Pumping Aluminum and other Principals of Success".

Your finemaster on the 5th will be BOB BOWLAND.

COWBOY BILL'S CORNER: HAPPY NEW YEAR! As with the birth of a baby, a new year brings hope to the world. The cold of winter has settled in and in contrast to the drought of last year we have snow in the mountains. We hope for the flowers of Spring and the green of Summer. We hope for prosperity and we hope for peace to all and freedom for the oppressed. We hope for a better world in 1988 than we have had in the past.

These goals can be achieved. We can make it happen. RI President CHUCK KELLER tells us in his theme United in Service and Dedicated to Peace. By actively participating in the four Avenues of Service we help the world fulfill those goals for which we hope. **HAPPY NEW YEAR!!**

Out of Bounds

Let's hope the playoff games go as well as the Rams Defeat!
