## Rotary Club of Redwood City for the week of 5/3/14

---

 District 5150  
Chartered April 22, 1946

Greetings Susan Howell,

WOW! What a great District Conference! Ok it certainly did not hurt that I shared third place in Poker with Stephanie Schmutz and our club collected SIX club awards. A tad cold, a tad windy and a bit of fog outside but incredibly warm and toasty inside with a whole bunch of folks intent on doing good works in the world.

### This Week - High Speed Rail Authority

Tomorrow we will hear from **Ben Tripousis** from the High Speed Rail Authority about what is happening with that big political hot potato. Mr. Tripousis was appointed in August 2012 to get this project and a train going somewhere. Let's see where that is these days!

### Next Week - Amber's House for Tri-Tip!

Next week we will abandon the Old Spaghetti Factory for home cooking over at one of our newest member's houses. How cool is that? AWESOME I say. We will have quite the spread and learn about the benefits of soccer for young girls in sports! Yep, there even is a program!

### District Grants!

How often does it turn out that you give money only to get some of it returned to you a few years later? Well, in Rotary, that happens every Spring, if YOU join in and take it!

District Grant applications will be sent to the President Elects sometime this week by David Hellman. And yes, there are a few rules. Here is the *short* (means not complete) version....

- Application due May 31st
- Must be LOCAL, COMMUNITY based
- Must be HANDS-ON using hands attached to ROTARIANS
- Club must already be certified to do grants (too late to do it now)

## Other News!

### Host a Youth Exchange Student for Just TWO WEEKS in JUNE!

Our Exchange Student Vittoria Farneze desperately needs a host family in the Sequoia High School District for her last two weeks here, starting June 13th or so. Hopefully a club member or someone they know can take her in. We really don't want to have to send her back to Brazil early. All we need is one member to have a big heart and say YES!

### Our "Work" Book

When President Elect Barbara Bonilla asks you to join her and actually DO SOMETHING next year. Take a quick look  [here](#) for perhaps a bit of a primer for what the job may entail. I am sure PE Barbara will be adding more info and her own branding to the manual, but it is better to take a look and see that the job is easy versus ducking under that table in a meeting. If you would like a Word version for yourself or your club, please email [president@redwoodcityrotary.org](mailto:president@redwoodcityrotary.org)

### Our History Pages

Check out our  [Club History Project](#)  [here!!!](#) I am still collecting photos for the galleries and seem to still be begging for a few words from the presidents on their respective years.

### Be a Host Family for a Global Grant Scholar!!!

We have received an email from Rotary Club of Issy Les Moulineaux in District 1660 in France. There is a very deserving young man in need of a host family for the Fall Quarter at Stanford University. I have attached the email received and the letter Irwan Bello received from Stanford. Please give the information a quick read and give it a bit of thought. Mickael Boubala may be reached at [mickaelboubala@gmail.com](mailto:mickaelboubala@gmail.com)

### Join Us!

We are working on some exciting ideas. Please come and enjoy the fellowship and camaraderie of the Rotary Club of Redwood City in 2014!

## Rotary Club of Redwood City for the week of 5/17/14

---

District 5150  
Chartered April 22, 1946

Greetings Susan Howell,

I took a bit of a break last week and I must say the announcements certainly stacked up in my absence. So be sure to scroll down and check out all that is going on in the next few days in with Rotary in the Bay Area. We have bowling in Pacifica, Rotary Means Business in San Mateo, a Year of the Horse Gala in Chinatown, a Foundation recognition event hanging out with in the America's Cup room. Lot's of stuff to do! Need a makeup? Well here are just a few ideas.

### **This Week - SAMCEDA CEO Rosanne Foust**

Fresh off of the February State of the City address over at Oracle our very own Rotarian, Vice Mayor and SAMCEDA President Rosanne Foust, will be in the house to give us a small taste of the event!

### **Last Week - Information on Girl's Club Soccer and EXCELLENT Food**

We spent last Tuesday offsite over at Rotarian Amber Harris' house. There was excellent food, fantastic company and a lot of information about girl's club soccer. We heard from the coach, parents and the club manager about the benefits for the girls, the trials of funding and the need for sponsors. These clubs need some corporate sponsors to keep them going! Much thanks to Amber and her husband Chris for opening up their homes to a bunch of hungry Rotarians for lunch.

## Rotary Global Grant Waste Water Treatment Project Santuario De Olon Community MANGLARALTO, SANTA ELENA, ECUADOR

**BACKGROUND:** About 1200 people belong to the Santuario De Olon Community of Manglaralto, Santa Elena located on the west coast of Ecuador. This community was founded by Father Othmar Staheli in 1972 with a Christian mission to provide fresh water, food, housing and healthcare to the Community. The welfare of children has been a particular focus of the mission. Current services provided include:

- A boarding school for 70 homeless children aged 0-12 years
- A grade school that serves these children and an additional 600 of the areas poorest children
- A nursery for 60 infants
- A health clinic that provides low to no cost care to 500 local residents per month

**NEED:** Santuario De Olon generates approximately 100 cubic meters per day of domestic wastewater that is currently discharged to a collapsed primary septic tank and infiltration field. Both are in desperate need of replacement. Failure to do so will have severe health and environmental consequences.

**GLOBAL GRANT PROPOSAL:** The Rotary Club of La Puntilla, located in Guayaquil Ecuador has organized a Global Grant proposal to replace this waste water treatment system. La Puntilla has conducted detailed engineering studies and outlined a project budget. The total budget for this project is \$61,236. La Putilla has already secured commitments of \$41,400 from their Club and others in District 4400 leaving \$19,796 in funding still needed from an international sponsor. The Rotary Club of Marin Evening has agreed to be this sponsor; however, it needs support from other international Clubs. Marin Evening has successfully worked with La Puntilla on matching grant projects in the past, including providing a mechanical cow to Santuario De Olon several years ago. This cow is still providing soy milk to the children.

**HOW CAN YOUR CLUB HELP?** If your Club is interested in supporting this project, either with a cash donation or designation of any available District Designated Funds, please contact Mark Shirley by phone (415)945-9593 or email: [markshirley@me.com](mailto:markshirley@me.com)

## Rotary Club of Redwood City for the week of 5/24/14

---

 District 5150  
Chartered April 22, 1946

Greetings Susan Howell,

Almost time to be out and about for the summer. Whether that is a bit of a trip to the RI Convention in Sydney with a whole bunch of Rotarians or a trip right around the corner on Saturday to place flags at Golden Gate Memorial Cemetery, there is a lot of fun, rewarding and interesting stuff to be involved with over the summer months.

### Tomorrow - Decorate Golden Gate Memorial Cemetery

Join Rotarians from the Rotary Club of Pacifica, numerous scouts, the Golden Gate Harley Owner's Group and many, many others to decorate over 110,000 graves at Golden Gate Memorial Cemetery.

If interested please be at the cemetery no later than 8:15 am this Saturday, May 24th. The program starts at 8:30. The flag planting starts around 9 and the Rotarians meet for a bite to eat afterward around 10:30 am or so. Please let Steve Wright of the Rotary Club of Pacifica know if he should watch out for you! ## This Week - Scholarships, Scholarships & Scholarships!!!

A perennial favorite at our club is giving the scholarships to the deserving young scholars of our local schools. Always a good time and always a program to make members in our club quite proud of what we do in the community! I will be bugging you for a headcount on Monday or so. Need to make sure there will be enough food.

## Last Week - SAMCEDA CEO Rosanne Foust

Fresh off of the February State of the City address over at Oracle our very own Rotarian, Vice Mayor and SAMCEDA President Rosanne Foust, gave us a lookie at the video the city put together. Gray and classically noir in style, the video had everything one could hope for in a good city spoof of Deadwood City.

## District Grants!

You are RUNNING OUT OF TIME!!!! How often does it turn out that you give money only to get some of it returned to you a few years later? Well, in Rotary, that happens every Spring, if YOU join in and take it!

District Grant applications will be sent to the President Elects sometime this week by David Hellman. And yes, there are a few rules. Here is the *short* (means not complete) version....

- Application due May 31st
- Must be LOCAL, COMMUNITY based
- Must be HANDS-ON using hands attached to ROTARIANS
- Club must already be certified to do grants (too late to do it now)
- Can't build a building, can't finish some ongoing project, a few more no-nos in the rules
- **Can** buy some dictionaries, **can** flip some pancakes, **can** help with a crab feed. A ton of possibilities!!!
- DDF up to \$800 matched by \$200 of your own dough
- Don't have \$800 in DDF - the District will make it up for your club
- Another \$500 can be had for falling in the  TRF six areas of focus

Can you guess who is the new District Grants Chair? Yes, it would be me! Needless to say you will hear more so stay tuned. Send completed applications to [districtgrants5150@gmail.com](mailto:districtgrants5150@gmail.com).

## Other News!

**Save the Date!** Tuesday, June 17th is the time to for the roast! Time for me to wrap up this year of mine and time to induct our set of officers for 2014-2015. There is a great lineup for next year and many great things should continue to happen with our club! I even heard last week that my days as the newsletter writer are definitely numbered.

## Our History Pages

Check out our  [Club History Project](#)  [here](#)!!! I am still collecting photos for the galleries and seem to still be begging for a few words from the presidents on their respective years.

## Rotary Global Grant Waste Water Treatment Project Santuario De Olon Community MANGLARALTO, SANTA ELENA, ECUADOR

**BACKGROUND:** About 1200 people belong to the Santuario De Olon Community of Manglaralto, Santa Elena located on the west coast of Ecuador. This community was founded by Father Othmar Staheli in 1972 with a Christian mission to provide fresh water, food, housing and healthcare to the Community. The welfare of children has been a particular focus of the mission. Current services provided include:

- A boarding school for 70 homeless children aged 0-12 years
- A grade school that serves these children and an additional 600 of the areas poorest children
- A nursery for 60 infants
- A health clinic that provides low to no cost care to 500 local residents per month

**NEED:** Santuario De Olon generates approximately 100 cubic meters per day of domestic wastewater that is currently discharged to a collapsed primary septic tank and infiltration field. Both are in desperate need of replacement. Failure to do so will have severe health and environmental consequences.

**GLOBAL GRANT PROPOSAL:** The Rotary Club of La Puntilla, located in Guayaquil Ecuador has organized a Global Grant proposal to replace this waste water treatment system. La Puntilla has conducted detailed engineering studies and outlined a project budget. The total budget for this project is \$61,236. La Putilla has already secured commitments of \$41,400 from their Club and others in District 4400 leaving \$19,796 in funding still needed from an international sponsor. The Rotary Club of Marin Evening has agreed to be this sponsor; however, it needs support from other international Clubs. Marin Evening has successfully worked with La Puntilla on matching grant projects in the past, including providing a mechanical cow to Santuario De Olon several years ago. This cow is still providing soy milk to the children.

**HOW CAN YOUR CLUB HELP?** If your Club is interested in supporting this project, either with a cash donation or designation of any available District Designated Funds, please contact Mark Shirley by phone (415)945-9593 or email: [markshirley@me.com](mailto:markshirley@me.com)
